We asked our cover models Arturo, Anna, and Sarah a series of in-depth questions and here’s what they had to say

PHOTOGRAPHY BY KYLE KEIGAN   DESIGN BY BOMI YANG
Arturo
Junior / Aerospace Engineering

Describe yourself: Intelligent, kind, passionate, dedicated, introverted, serious and goofy

Pick two celebrities to be your parents: Nicolas Cage and Voldemort

Would you rather be rich and stupid or poor and smart? Poor and smart. It’s going pretty well for me as of right now

If you could invent a scented candle, what would it smell like? America.

Do you have a guilty pleasure? Dancing like nobody is watching, but with all the doors and windows closed... just in case someone is watching.
Anna
Junior / Horticulture

Describe yourself: Outgoing, bubbly, weird, and silly

Pick two celebrities to be your parents:
Clint Eastwood and Heidi Klum

Would you rather be rich and stupid or poor and smart? Definitely poor and smart

If you could invent a scented candle, what would it smell like? The smell of fresh Spring time

What's on the walls of your bedroom? A pirate crossing sign that I got in the Keys last winter

Do you have a guilty pleasure? I’m addicted to my computer...
Describe yourself: Sleepy, excited, thoughtful, gullible, and athletic

Pick two celebrities to be your parents: Betty White because she’s cool enough to be both my mom and dad

If you could invent a scented candle, what would it smell like? A unicorn

Do you have any “odd” pets? I used to own two rats - They knew as many tricks as my dog

What is on the walls of your bedroom? A large forest tapestry, several sculls, pointe shoes, old art, feathers, photos, and my ballet tutu

Do you have a guilty pleasure? Eating raw pasta for a snack, and when I’m bored
