# Iowa **CSA** Farms

Community Supported Agriculture

## 2015 Statewide List of CSA Farms and Organizers Serving Iowa

This directory provides a current list of known CSAs serving Iowa. We are making every effort to keep this list up-to-date, so please help us identify new CSAs or changes to existing ones. To provide additions and modifications to this listing, visit our online form at [www.leopold.iastate.edu/csa](http://www.leopold.iastate.edu/csa) or contact Savanna Lyons at the Leopold Center for Sustainable Agriculture / Iowa State University Extension and Outreach: [slyons@iastate.edu](mailto:slyons@iastate.edu).

Many CSA farms in this directory are certified organic. Nearly all the CSA farms in this directory intentionally implement practices that contribute toward organic production. We encourage consumers and CSA farmers to discuss growing practices, including the decision to seek or not seek organic certification. Indeed, the openness of such discussions about how food is grown is one of the benefits of choosing to be part of a CSA.

## What is Community Supported Agriculture (CSA) and how does it work?

Community Supported Agriculture (CSA) is a partnership between farmers and community members working together to create a local food system. CSA farmers produce fresh vegetables, fruits, meats, fiber or related products directly for local community members. Community members become shareholders by paying in advance for farm products. In this way, customers share the risks of production with the farmer.

CSA memberships may range from \$150 to \$800, depending on the season length and the variety and quantity of food provided. The early payments provide capital up front when farmers' need is greatest. The farm then supplies members with shares of farm-raised food items on a regular basis throughout the growing season and sometimes into the winter, depending on the farm and its products. A produce CSA, for example, might distribute five to 20 pounds of vegetables once a week for 10 to 25 weeks, enough to feed two to four people. Some CSAs provide door-to-door delivery, some have central pick-up sites, and in others, members come to the farm to get

their shares. A few of the CSAs listed in this directory are collaborations of several farmers who are combining their products together.

Linking their eating with the ebb and flow of the farm produce offers CSA members a more involved role in their food system. Members of Iowa CSAs report enjoying many benefits, including:

- Fresh food grown for taste and nutrition.
- Knowledge of their food's source and how it is grown or raised.
- The opportunity to support local family farmers who practice sustainable agriculture.
- Access to planned educational and recreational opportunities on the farm.
- Information about nutrition, food preparation and food preservation provided by the farm.

## Looking for more information?

Many organizations and individuals contributed CSA information to this directory. Consumers seeking more detailed information about what is available in their own area are encouraged to look up their **Iowa Buy Fresh Buy Local** chapter at [www.sites.google.com/site/bfbliowa](http://www.sites.google.com/site/bfbliowa). Buy Fresh Buy Local chapters are locally run and many of them create their own local food guides which contain detailed, up-to-date information about CSAs, U-pick farms and other ways to find local food in each region.

Listings for Iowa farms, wineries, farmers markets, agritourism opportunities and more also can be found on **Iowa Market Maker**: [www.marketmakeriowa.com](http://www.marketmakeriowa.com).

USDA's Agricultural Marketing Service also has searchable online directories for CSAs, food hubs and farmers markets. See them at [www.usdalocalfooddirectories.com](http://www.usdalocalfooddirectories.com).

### ...and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, the fact that all or part of an individual's income is derived from any public assistance program, or protected genetic information. (Not all prohibited bases apply to all programs and/or activities.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at 202-720-2600 (voice and TDD). To file a complaint of discrimination, write to U.S. Department of Agriculture, Director, Office of Adjudication, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call 866-632-9992 (voice). Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at 800-877-8339. USDA is an equal opportunity provider and employer.
