## I Am a Midwestern Winter

I have a collection of space heaters.  
My hair was expected to be black  
like my father's. You were conceived  
by a beach and a valium.

I say I don't have the best  
immune system.

(I have a yeast infection. I have canker sores.  
I have agreed to be a 31 year old dog sitter.)

I grew up wearing a tutu  
over snow pants.  
Stephanie Tanner and Dawn  
from Baby-Sitters Club, mythical  
to me as centaurs.

I think about warm places. As I listen  
to Josephine Baker sing Brazil  
I could swear she says  
where you put your ass in it.
