Prof. Morbeck breaks world's quarter mile record; leads Bruin by 10 yards.

Prof. MacDonald (in lumbering): "Give the disadvantages of a circular saw."

Moroney: You have to stop it, to file it.

Dictated to the office secretary: "These shingles were destroyed by fire at the treating plant before being used."

### Use Your Head

A woodpecker pecks  
Out a great many specks  
Of sawdust  
When building a hut.

He works like a nigger  
To make the hole bigger—  
He's sore if  
His cutter won't cut.

He don't bother with plans  
Of cheap artisans,  
But there's one thing  
Can rightly be said:

The whole excavation  
Has this explanation  
He builds it  
By  
Using  
His  
Head.
