## This Is Classy Because I Say So

I am staying at a house with a screened-in back porch. It is not my house. I do not have a house. Let's all take a moment to reflect on me being a single, childless, houseless grownup. I know you want to.

(Pause.)

I ask if I can put an air mattress on the porch, make it a sleeping porch. This will not solve my problems, but will make my self-pity feel more romantic. I'm going for vintage sadness.

(Time for questions.)
