DEDICATION

Eight years ago a new member was added to the staff of the Forestry Department. From that time on, Mrs. Walter, the new secretary, was endeared to the hearts of all who knew her.

She won innumerable friends with her ever-present, cheery smile, and willingness to lend a helping hand or give a word of encouragement to some down-hearted student.

Though her tasks were many, she was never too busy to answer that green freshman's question, or look up some information for that graduating senior. She was a friend and counsellor to all.

On February 1, 1942, Mrs. Walter left the Forestry Department in search of greener pastures in San Bernardino, California. It is the sincere wish of all her friends that she will find those green pastures as a just reward for her untiring efforts here at Iowa State.

It is to Mrs. Walter, remembered by all as kind, thoughtful, unselfish, and always cheerful and friendly, that the staff of the 1942 AMES FORESTER respectfully dedicates Volume XXX.
