*To the Seniors, 1957:*

You, and we of the forestry staff, have had four wonderful years together. It was my privilege to spend part of the summer of 1954 in camp with many of you. So, I feel that I know you real well. This I like.

Opportunities in almost every line of endeavor open to foresters continue to be abundant. Whether you look forward to a career in forest management, range management, products or sales and distribution you can be sure of employment. Coupled with this is a salary situation which has become very favorable. An opportunity for desirable work at a satisfactory wage plus effort on your part can spell nothing but success. We are expecting great things from the class of 1957.

With best wishes to each of you, I am,

Yours sincerely,  
PROF. HARTMAN
