ALUMNI NOTES

CLASS OF 1905

Sear, Arthur J. Has a daughter who has been a missionary for seven years at Kabankalan in the Philippines. He served 26 years in the field of Agriculture Extension and 6 years as a vocational instructor. Since 1950 has been farm manager and forestry consultant. Manager of largest tree farm in the area. Was forestry research specialist that got Crandon Paul Mill into Iowa in 1955. Received Forest Industry Award in 1962. Received Conservation Council Award of S.E. Iowa in September of 1962. Honorary member of Izaak Walton League in 1962.

CLASS OF 1908

Hoeftner, Henry E. Entered U.S. Forest Service 1908. Spent many years on National Forests in Southern Oregon and nine years in state and private work. From 1943-1963 was Chief Forester for St. Helens Pulp and Paper Co., St. Helens, Ore- gon. Helped build their timberland ownership from 40,000 acres to 117,000 acres. Spent two years as timberland buyer with another paper company. Retired 1966. Has four small tree farms in Portland area and some other interests.

CLASS OF 1911

Whitham, J. C. Retired since 1949 after 38½ years with the U.S.F.S. Spent 27 years as Forest Supervisor on five national forests. His son Kirby is the assistant manager of the U. of Ill. Atomic Energy Research Plant at Arco, Idaho.

CLASS OF 1912

Richmond, Howard H. Youngest son was killed in action in action in World War II. Other two children of the family are college graduates with master degrees.

CLASS OF 1918

Donahue, John F. John retired in 1961 after an illness kept him off the job for six months. Previous to that he worked for Lockheed Aircraft at Burbank, Calif, and was educational Advisor in the California C.C.C. until 1942.

CLASS OF 1919

Davis, Edward M. In September, 1960 retired at age of 70 from his Forest Products Lab. job as project leader in machining studies. Since then has been doing some free-lance work and has had acceptances from four different magazines. Most articles have been on woodworking, is now doing a series for the wood working Digest.

CLASS OF 1920

Deming, Milo H. Employed in Range Research Studies of Na- tional Land Reserve but activity is limited to office work of review, revision and records in preparation for forthcoming retirement. Is a staff member in Range Division Directors. Only daughter is now at University of Georgia where her husband is teaching and studying for M.S. “Last man” still alive and working of the small group (17) who started the Grazing Service in 1935.

CLASS OF 1922

Fennell, Robert E. Was remarried on October 14, 1962. Was back to brothers at Allerton, Iowa for a short visit.

Pohl, Edwin. In anticipation of retiring someday he has pur- chased a “hunk of virgin stuff” in the Trinity Alps Wilderness Area where he can go for “sawdust transusions and fishing.” Reports that Trinity County is the only one in California that has neither a railroad or commercial airport so it may stay different from the rest of the crazy world for some time to come.

CLASS OF 1925

Nelson, DeWitt. Mr. Nelson is the Director of the Department of Conservation for the State of California. The Department includes the Division of Forestry, Soil Conservation, Mines and Geology, and Oil and Gas. Mr. Nelson gave our faculty and students a speech on Resources on his return trip from the S.A.F. meeting in Atlanta.

Towne, C. R. Mr. Towne has been retired since 1950 and spends his winters in Texas. He has two married daughters living in Colorado. Spends leisure time fishing and collecting stamps.

CLASS OF 1926

Farnsworth, C. Eugene. Mr. Farnsworth is a Professor of Silvi- culture at the State University College of Forestry in Syra- cuse. Mr. Farnsworth and his wife spent last summer tour- ing Europe with a group of Oxford University foresters. He visited six tree improvement research stations in three countries and shot 100 feet of 16mm film for a proposed college film in tree improvement. Has two sons, 21 and 22.

Hogan, Jack B. Mrs. Hogan is active in American Legion auxil- iary Volunteer work at the V.A. Hospital. He expects to end service with the government next May or June, oldest son is on his 6th year in U.S. Navy. Youngest son is a C.E. Senior at Oregon State University.

Kennan, R. B. M. Mr. Kennan is involved with General Inte- grating Inspections for the U.S.F.S. His work takes him to all regions of the U.S. He meets many I.S.U. grads and would like to cite their contributions to the project. He has a son that graduated from the University of Michigan and is in advertising research for CBS in New York City. Also a daughter graduated from I.S.U. in 1962 and is mar- ried to a faculty member at Rutgers University.

CLASS OF 1927

Fullerton, Neil. Retired from the Forest Service since 1958 after 31 years of service with them. Since then he spends most of his time collecting items for historical interest relating to the history of the Clarks Fork River.

Nagle, John P. Is the Chairman of the Department of Forestry and Range Management at Washington State University in Pullman. He attended the S.A.F. meeting in Atlanta this year.

Schipull, Walter L. Is the Assistant Director of the Division of Watershed Management of the U.S.F.S. in Washington, D.C. Has a daughter at Ohio Wesleyan University.

CLASS OF 1928

Ball, Donald R. Oldest daughter, Phyllis Blinoff, is a graduate of the University of the Pacific. She has four children. Second daughter, Judith Cathcart, graduated from the University of California in January 1963. Son Robert is in his junior year at Piedmont High School.

Iverson, Ray C. Is the Deputy Supervisor of the Superior National Forest. He has been there for three years working on the accelerated works programs for the forest. Mr. and Mrs. Iverson are grandparents of a 4-year old grandson and a 2 year old grand daughter.

Lepley, William M. Has wife, one child, and three grand children, Will be studying at Trinity College, Dublin, dur- ing the spring and summer terms of 1963.

Boech, Fred E. Has just completed 25 years with the Minne- sota and Ontario Paper Co., starting as Ass’t Insulite Supt., then to General Supt., Insulite Division, Production Man-ager, and for the past 9 years in the present capacity as Ass’t General Manager, Falls Division. Has one daughter, Katherine, who was married last fall.

CLASS OF 1930

Holts, R. D. Has been in Oregon since May 1961 when transferred from a similar position at Minneapolis, Minn. Has 2 children, Robert who received his M.S. in Civil Engineer- ing and Patricia who received her B.S. in Education, both from the University of Minn, in June 1961.

Moessner, Karl F. Still working on photo research for Inter- mountain Forest and Range Experiment Station. Latest studies include lake and stream measurements on photos for recreational research. This subject is made more interesting by 2 or 3 field trips into the High Viniloh’s to check the photo results.

Runkel, Sylva T. Is a Field Biologist and Forester for the Soil Conservation Service. He spends most of his time working on Wildlife and Forest Conservation plans and problems.

Soderberg, Gorden. Has a son and a daughter and three grand children.

CLASS OF 1931

Carver, Raymond D. Retired after 46 years with the U.S. For- est Service, Mr. and Mrs. Carver have five grand children. He spends most of his time taking part in SAF and other forestry meetings plus belonging to many other local organi- zations.

Smith, Clyde T. Built a new home in 1961. Their son David, who graduated in Forestry at I.S.U. in 1960, is in the Navy and has two years left to serve. Their daughter is taking nurses’ education at Northwestern University in Chicago.

Zimmerman, Elliot W. Devotes most of his time to forestry in the Rural Area Development Program. His son David is a hospital administrator in Milwaukee, Wis. His other son Steve is a medical student at the University of Wisconsin.
CLASS OF 1938

Gibson, Lawrence M. Has wife Marion who is unpaid secretary and sons Larry who has four daughters and J. Ramsey who is at Wisconsin State College. Spare time filled by technical and other writing, equipment sales, real estate, and grand daughters. His sport is SK1-DOO Bombardier Snowmobile.

Olson, Earl F. Mr. Olson enjoyed a visit with Dr. Thomson, Larry Streby, John Shepard, and Mike Hathaway on their way to the SAP meeting in Atlanta.

Stevenson, Hugh. His nursery is involved almost exclusively in the raising of ornamental stock.

Hart, Eugene D. Is teaching in the School of Library Science at USC. Has seen Jake Jauch, 1933 classmate, nearly every year. He also hears regularly from Fred Hotell, 1933 classmate — and also a librarian in Minneapolis.

CLASS OF 1939

Bjornson, Harold B. Oldest daughter Mary will be married June 3rd.

CLASS OF 1940

Benda, Kenneth, Was elected to the Iowa State Senate, Nov. 6, 1962 and will serve four years as a Senator from the 23rd Senatorial District. A daughter Barbara attends Grinnell College and a son James is in the 6th grade.

CLASS OF 1941

Thomson, Donald E. Career man in the U.S. Army since 1942. Has two sons — John 15 and Andy 12.

Wallace, Arthur L. Mr. Wallace is a self-employed dentist. His wife Fran is a Home Ec graduate of 1941.

CLASS OF 1942

Jensen, Harold J. Wife, Helen, and three girls and a booy who are in grade school, ages 7, 6, 4, 1. Works mainly on reforestation; especially on survival.

Hoover, Clyde C. In Feb., 1962, he ("Gerry") and Mrs. Hoover took over the complete ownership and management of the Oak Flooring and Molding manufacturing plant in Cassville, Missouri, known as Forest Product, Inc. Has always been part owner of the concern, incorporated Jan. 1946, and always active in its management. Now in their 18th year of operation. Son, Lynn, a graduate of the Missouri University School of Law in June 1962 is now with a very good law firm in Kansas City, Mo. He and his wife Jeanie, presented them with a grandson, Stephen, last August 16th.

CLASS OF 1943

Kreiner, Victor. Has wife Doreen, a daughter who is a sophomore in high school and a son who is in eighth grade.

Thomson, George. Still at I.S.U., teaching photogrammetry, management, farm forestry, and filling in on range. Has been directing the Forestry Camps in Colorado at Winter Park.
Enjoyed guiding the 3 “Hartman travel award winners” through Georgia in October. Has three boys—Bruce 10, Raymond 7, and Craig 3.

CLASS OF 1944

Skarit, Warren F. Major U.S.M.C. The Skarit have one son and two daughters.

CLASS OF 1946

Barkle, Joseph L. Has a wife and four boys. Plant Superintendent for a cabinet making plant of 200 employees. Is a member of the Northwest Hardwood Association.

Doisitie, Warren T. Has a daughter, Linda at Penn, State University, a son Randy in high school, and a son Eric in grade school.

CLASS OF 1947

Crowther, Richard. Teaches courses in silviculture, soils, and related subjects. He is also faculty advisor to the Michigan Tech Forester. Has a daughter, Dorothy, at Michigan Tech, a son Alan in grade school, and a daughter Jean.

Halbrook, Quincy X. Completing a 2 year assignment in the Atlantic area of the U.S. Geological Survey, Topographic Division. Will be returning with wife to the Pacific Area, Menlo Park, California, next summer.

Montgomery, Joel. Left Long-Bell after 13 years and is now a jobber salesman. Has one son who is a junior at Denver South High and one daughter who is a sophomore in college. Wife is a social welfare case worker and a graduate student at Denver University. Also has one dog which is not in school.

CLASS OF 1948

Christman, R. Don. Moved from Washington, D.C. to Anchorage this summer and into a new position—Chief, Division of Range and Forest Management.

CLASS OF 1949

Anderson, Raymond E. Is working in the Boston area to raise money for the I.S.U. Center.

Brown, Kenneth D. Has wife, Joni, and two sons Clay and Phil, plus one “small” 185 pound St. Bernard “Hesk.” Has now been with North Pacific Lumber Co. for 8 years.

Harrington, Thaddeus A. Project Leader of the Naval Stores and Tree Improvement Research Project of the South-eastern Forest Experiment Station, Miami, Florida. Has a family of three sons and two daughters.

Peterson, Orin J. Has two boys, Brian 10 and Timmy 3.

Reynolds, Eugene E. Has two children, Larry 10 and Jennifer 7.

CLASS OF 1950

Allen, T. R. Returned to Arizona last spring. Has the position of “Moulding Plant Manager” for Southwest Forest Industries, Inc. Has a family of five children.

Bloomquist, T. W. Working in farm forestry for the Wisconsin Conservation Dept. Has a family of four daughters.

Corson, Ben F. He is working as a Timber Management Officer on annual cut and sellquotas. Has a family of two boys, ages 16 and 11.

Ewing, Arnold. Works through all of western Oregon. At the present time he is making adjustments in logging contracts, following the big blowdown, in order that the damaged timber can be removed before it is damaged by bark beetles. He has a family of four boys and one girl, ages, 15, 11, 10, and 6 respectively.

Grimes, Phil. After spending five years in Wyoming he is back on the Boise Nat. For. in Idaho. Has a family of one boy and three girls.

Jones, Robert E. Is responsible for maintaining tree-line clearance on 10,000 miles of electric transmission and distribution lines. Bob and his wife Barbara are the parents of two girls and one boy.

Keister, Thomas. Will receive an M.S. Degree in June and will continue work for a Ph.D. Tom is confined to a wheelchair since an attack of polio and hopes to start teaching soon.

Lendman, Fred N. Is managing a private forest estate of 20,000 acres under R. C. Watt.

Riddle, Donald D. Is working on pest control at the present time. The main problem at the present is an attack of Black Hills Pine Beetle in the Big Horn Mountains. He has a family of four youngsters.

Riley, John P. Has been engaged in cartography for the U.S. Navy for 11 years. Is still single.

Schilte, William T. Works as a Forest Manager on the Warm Springs Indian Reservation in Oregon. They have a staff of nine professionals for 330,000 acres of timber and an annual cut of 60 million board feet. Bill and his wife Mary have a family of two boys and one girl.

Stany, Roger S. Has a family of two girls and one boy.

Warren, Charles W. Director of Parks, Recreation and Public Property in Omaha. He is also a consultant at Offutt Air Base on their tree and landscaping problems. Also consulting forester for the World-Herald and is on the Board of Trustees for the Fontanella Forest Association. The Warrens have two girls and one boy.

CLASS OF 1951

Coffit, Roland E., Jr. Is married to a Home Ec. graduate from West Virginia U. They have one daughter.

Hansen, Norman. Is self-employed as a consulting forester, as a tree farmer, and also works with Midwest Tree Services.

Hettel, H. C. Has a family of three children, two boys and one girl.

Hartman, Robert A. Bob received a fellowship from the Crown Zellerbach Corp., and is attending Colorado State U. to work on a Ph. D. Degree in Watershed Management.

Reading, Eugene. Has a family of four daughters.

Renard, Laurence P. Has been promoted to plant superintendent of a new gymspum board will now under construction by Dierks Forests, Inc. at Briar Arkansas. The main product of the mill will be gymspum wallboard.

Tomashchek, Joseph. Is in charge of timber, log purchases, and logging for the Tahoe Timber Co. His family numbers four.

CLASS OF 1952

Campen, Eldon R. Does farm forestry work for the Illinois Dept. of Conservation. Eldon and his wife Alicia have two sons.

Fish, John A. John’s wife Barbara is a home Ec. Junior at I.S.U. They have four children; three girls and one boy.

Hansen, Stewart D. The Hansons have a six year old son Mark.

Hartman, Ted. Ted owns “Ripplewood” a family resort on the Big Sur River 30 miles south of Monterey, California. The Hartmans have three girls.

Hays, John C. Moved to Colorado in Jan. of ’62 and joined the staff at Colorado State U. Prior to this he was on the Staff at Michigan State where he received a Ph.D. in wood technology and mechanical engineering. Has a family of two boys and one girl.

CLASS OF 1953

Campbell, Oliver F., Jr. Received an M.F. Degree from the U. of Washington in 1957. Has one son.

Kuester, Allan F. Is doing forest consulting work in the Appalachian area, as well as some tree farming.

Lash, Merrill G. Is self-employed as a timber sales department for Anaconda. He will be in charge of the area between Montana and the East Coast. Has a family of one boy and one girl.

McKee, L. Carter. Carter and his wife Barbbara have two small sons.

CLASS OF 1954

Lassen, Laurence E. Has spent the last two years working on the wood density surveys for softwoods. Laurence and his wife Julie have a small daughter.

Peterson, Robert R. Has been setting up seedling, planting, spraying, and scarification projects on the White River Tree Farm of 190,000 acres. Bob and his wife Marilyn have two daughters.

CLASS OF 1955

Barrington, John Curtis. Member of S.A.F. and A.F.A. John and his wife Mary Ann have two girls and one boy.
Cheslad, Gene. Has a family of one daughter.
Con Ih, Marvin H. Is currently working on all phases of multiple use land management. He is active in Lions and Jr. Chamber of Commerce. Marvin and his wife Lois have three daughters.

Johnson, Howard C. Is active in American Institute of Park Executives, Midwest Institute of Park Executives, National Conference on State Parks, and the International Shade Tree Conference. Howard and his wife Lois have three sons.

Marshall, Harry J. Harry was married to his fiancé, Carolyn, on Dec. 29, 1962 and in doing so he acquired two new daughters.

CLASS OF 1956

DePaul, Franklin D. Is engaged in cost analysis in plywood and millwork for the Long Bell Div. of the International Paper Co. Frank and his wife Joyce have a son and daughter.

Clausen, Robert D. Bob and his wife Patricia have two boys and one girl.

Conger, Richard. Was recently transferred to Milwaukee to run sales office for Unit Structure, manufacturers of laminated wood beams and arches. Has wife Betty and two daughters.

CLASS OF 1957

Hawgreen, James H. Supervises company and contract loggers. Manages 30,000 acres of river swamp property and purchases timber for the Center Mill. Has a family of four daughters.

Hetzer, Robert E. His wife Judith is an I.S.U. grad in C.D. They have two daughters.

Ketchum, Ronald L. Has a family of one boy and one girl.

Nielsen, Richard L. "Duke" spent the past summer working with seven I.S.U. forestry students. They collected wood increment in order to complete the first phase of a nationwide project for a Wood Density Survey project.

Smith, Roland D. Is presently taking part in the Dept. of Interior's management training Program. Spent seven months in Washington working with B.L.M. leaders in personnel and land management.

Warner, William R. For the past five years has been associated with Timber Structures, Inc. He is responsible for all sales in Western Washington and the State of Alaska. Bob and his wife Barbara have two boys.

Welch, Gary A. Has a family of five children.

CLASS OF 1958

Bergen, John M. John is a Field Supervisor for the Forest Survey. Has a family of two children.

Clausen, Melvin. Is presently working on timber sales. He spent last summer working on timber inventory of Northern Hardwoods.

Fago, Clifford E. Inspects private logging operations for compliance with state forest practice and fire laws for the California Div. of Forestry. Cliff and his wife Doris have one son.

Rasmussen, Dean A. Dean and his wife Marlene have a daughter.

CLASS OF 1959

Bodenheuerger, Paul E. Is a member of S.A.F. and the Forest History Society. He recently attended the fifth Regional Conference of Forest History in Berkeley, Calif. Has a family of two boys.

Brown, D. Bruce. Have a family of two children.

Brown, Gregory N. Received an M. F. from Yale in 1960. He recently received a Ph.D. from Duke in tree physiology, and has moved to Oak Ridge, Tenn. To accept a job with Union Carbide Nuclear in the Oak Ridge National Laboratory. He will serve as a tree physiologist on the tree ecology division.

Hambrock, Richard L. Has a family of three girls.

Kasile, Joseph D. Received an M.S. Degree from Oregon State in 1960. Was married in June, 1959.

Nelson, David K. In Timber Management Assistant in charge of all timber sold, preparation and administration, reforestation, and TSI. Dave and his wife Barbara have one son.

Potenz, Allen R. He is presently in the U.S. Army. After his discharge he will be employed on the Malheur National Forest and will live at John Day, Oregon. Al was married in Dec. of 1961.

Tyrrel, Robert R. Has a family of two daughters.

Vanet, David V. Is presently with the Military Assistance and Advisory Group in the highlands of Vietnam.

CLASS OF 1960

Anderson, George E. George and his wife Janet have two sons.

Duskin, Donald L. Don and his wife have a family of two boys and are expecting another child in April.

Gottschalk, James H. Has a family of two boys.

Halberson, Howard G. Received an M.S. Degree in Watershed Mgt. in June, 1962 from the U. of Arizona.

Midzen, Arnold R. Completed two years in the Army last Sept. and is now employed on the Malheur National Forest.

Sampson, George R. Is working on an M.S. Degree in Agricultural Economics. He is still single.

Wisch, John C. His work involves thinnings, plantings, and erosion control work. John and his wife have one son.

CLASS OF 1961

Aegeter, John C. Spent six months in Fort Ord in 1962 and then went to work on the Winema National Forest. John and his wife Brenda have a baby girl.

Brisbin, Robert L. Is serving as an Army Intelligence Officer at Fort Belvoir, Virginia. He will return to the Northeastern Forest Experiment Station as a Research Forester in Dec. of 1963. Has a family of two girls and one boy.

Cherry, James L. Jim and his wife Gail have one daughter.

Faulor, Gene A. Gene and his wife Margaret have four children.

Gingerich, R. Earl. Has a family of two boys and one girl. The latest addition was born Dec. 31, 1962.

Gordon, John C. Has been doing research at the Forest Tree Breeding Station of the Forest Research Institute of Finland. Is also studying at the University of Helsinki. He has been offered a temporary position at the Research Institute until he returns to Ames in March, 1963.

Hanson, David C. Joined an Officer Candidate Company with the U.S. Marine Corps in Sept. 1962. He graduated a 2nd. Lt. and is now attending Officer Basic School at Quantico, Virginia.

Shepard, Roger A. Has a family of two boys and one girl.

Youngkin, Max C. Is working as a timber sales officer. Max and his wife have one boy.

Zimmer, Martin J. He and his wife Virginia have a boy and a girl.

CLASS OF 1962

Boyle, Jim. Jim is doing forest research on potassium release from primary soil minerals. He was married to Patty Anderson in Aug. of 1962 and she is now teaching home economics in a junior high school.

Highly, Terry L. Is presently working on an M.S. Degree in Forest Products Chemistry at Oregon State.

Schwartz, Lorin P. Jim and his wife have two children.
Alumni

1909

MAST, W. H., Deceased.
