Mycotoxins Videos Released

Abstract

For a more in-depth discussion and overview of mycotoxins, the [Grain Quality Initiative](#) and the [Crop Advisor Institute](#) have prepared two video modules, Mycotoxins in Feed and Grain Industries.

Keywords

Agricultural and Biosystems Engineering, Plant Pathology and Microbiology

Disciplines

Agricultural Science | Agriculture | Bioresource and Agricultural Engineering | Plant Pathology

GRAIN STORAGE TEAM

Click [here](#) to download the PowerPoint presentation.

Each program is about 30 minutes; one covers basic biology and development of mycotoxins and the second covers management and testing issues.

For an update on 2014 crop quality, see the Integrated Crop Management news posting, "**Update on 2014 Crop Quality**," posted Oct. 15, 2014.

Charles Hurburgh is a professor in the Department of Ag and Biosystems Engineering. He can be reached at tatry@iastate.edu or 515-294-8629.

Alison Robertson is an associate professor in the Department of Plant Pathology and Microbiology; she can be reached at alisonr@iastate.edu or 515-294-6708.

Erin Bowers is a post-doctoral research associate in the Department of Agricultural and Biosystems Engineering. She can be reached at erin@iastate.edu or 515-294-6383.
