Christmas Tree Sales

The ISU Forestry Club Christmas tree sale was again held in the motorcycle parking lot between the Memorial Union and Lake Laverne. Sales lasted for two weeks running from Dec. 2 to Dec. 14. This year's Christmas tree sales met with a major block, in the form of a snow storm. This stalled the selling of the Christmas trees for two days while we waited for the trees to be uncovered.

Trees were again purchased from Merrillam, Wisconsin and Geneseo, Illinois. Most of the trees were scotch pine and white pine, with scotch pine being the number one seller. As sales came to a close, $624 was netted, not one of the best sales compared to years past. This year over 50 trees were donated to the Council of Aging and were distributed to the needy people of central Iowa.

All in all we had an enjoyable sale. I would like to thank Jerry Grebash from the Iowa State Nursery for all his help. I would also like to thank everyone that worked to make the Christmas tree sale a success.
