Information on Experiments in Previous Annual Progress Reports

Specialty Soybean Test—South ................................................................. ISRF04-12
Oat and Triticale Variety Yield Tests ......................................................... ISRF04-12
Phosphorous and Potassium Fertilizer Placement for Corn and Soybean Managed
  with No-Till and Chisel-Disk Tillage .................................................. ISRF04-12
A Trap Crop + Insecticide Approach for Cucumber Beetle Management ........ ISRF04-12
Sow and Litter Performance for Individual Crate and Group Hoop Barn
  Gestation Housing Systems: Report II .................................................. ISRF04-12
Effects of Long-Term Tillage and Crop Rotation on Soil Carbon and Soil
  Productivity .................................................................................. ISRF03-12
Phosphorus and Potassium Fertilizer Placement for Corn and Soybeans
  Managed with No-Till and Chisel-Disk Tillage ...................................... ISRF03-12
Comparison of Organic and Conventional Crops at the Neely-Kinyon
  Long-Term Agroecological Research (LTAR) Site ................................ ISRF03-12
Woolly Cupgrass Control in Corn with
  Preemergence- and Postemergence-Applied Herbicides ......................... ISRF03-12
A Row Cover and Low-Risk Insecticide Strategy for Cucumber Beetle
  Management ................................................................................. ISRF03-12
Soil pH and Plant Population Effects on Soybean Yield ........................ ISRF03-12
2002 Leopold Grape Cultivar by Management System Trial ...................... ISRF03-12
2003 Wine Grape Cultivar Trial ............................................................... ISRF03-12
Real-Time Ultrasound and Performance Measures to Assist in Feedlot
  Cattle Sorting for Marketing Decisions ............................................... ISRF03-12
Sow and Litter Performance for Individual Crate and Group Hoop Barn
  Gestation Housing Systems: Progress Report II .................................. ISRF03-12
Cuphea Yield Trial in Iowa .................................................................... ISRF02-12
Seasonal and Rotational Influences on Corn Nitrogen Requirements ........ ISRF02-12
Corn Yield Response to Applications of Swine Manure and Stay-Nitrogen .. ISRF02-12
Comparison of Organic and Conventional Crops at the Neely-Kinyon Site ... ISRF02-12
Trapping and Other Strategies for Cucumber Beetle Management .............. ISRF02-12
Edamame (Vegetable Soybean) Variety Trial at Neely-Kinyon Site ............ ISRF02-12
2002 Leopold Grape Cultivar by Management System Trial ...................... ISRF02-12
Rotational Grazing Demonstrations with Beef Cows on CRP Land .............. ISRF02-12
Intensive Rotational Grazing of Steers on Highly Erodible Land ............... ISRF02-12
