VEISHEA

Last year's award for most Educational Veishea Display is going to be a tough act to follow, but Mark Burns is giving it his best shot. The theme will be Forestry--Managing Today's Resources for Tomorrow. Many of last year's winning displays will be featured while several new displays will be added to fill out the exhibit. Woodsy can't come up with the bus fare to make the event, but Smokey will be on hand to greet VEISHEA-goers. We will continue to give away seedlings this year, and again we will solicit donations in hopes that we'll do as well as last year when we made a profit.
