OUT AMONG THE BIG THINGS

Out among the big things-
The mountains and the plains
An hour ain't important,
Nor are the hour's gains;
The feller in the city
Is hurried night and day,
But out among the big things
He learns the calmer way.

Out among the big things-
The skies that never end-
To lose a day ain't nothin',
The days are there to spend;
So why not give 'em freely,
Enjoying as we go?
I somehow can't help thinking
The good Lord means life so.

Out among the big things-
The heights that gleam afar-
A feller gets to wonder
What means each distant star;
He may not get an answer,
But somehow every night
He feels, among the big things,
That everything's all right.
