# Student Activities

When you get to know a fellow,  
    know his joys and know his cares,  
When you've come to understand him  
    and the burdens that he bears,  
When you've learned the fights he's  
    making and the troubles in his way,  
Then you find that he is different  
    than you thought him yesterday.  
You find his faults are trivial  
    and there's not so much to blame  
In the brother that you jeered at  
    when you only knew his name.
