Christmas Party—1958

The Jr. A.V.M.A. Christmas party was held Dec. 15, 1958, in the Great Hall of the Memorial Union at 7:30 p.m. Terry Watts served as master of ceremonies with 502 adults and 75 children present.

The program was started with holiday greetings to all from Dean I. A. Merchant. The crowd enjoyed songs by Glen Carter, VM 3, Wendell Taylor, VM 3, and Dave Schroeder, VM 1. A three part pantomime was presented by the wives of

the junior class members. Over \$400 worth of door prizes were distributed, including gifts from Ames merchants and drug companies. The evening was climaxed by the appearance of Santa Claus, played by Duane Gipple, VM 3, who distributed candy to the children. Coffee and doughnuts were served to the adults.

The program was arranged under the direction of Ken Schultz, VM 3, and Bob Conway, VM 3, co-chairmen.

The Veterinary Reading Room Committee is indeed grateful to all alumni, faculty, students and friends who have made contributions to the reading room.

The original contributions of private libraries of former faculty members and alumni provided a sound basis of older veterinary literature for the reading room. Since that time, monetary contributions and books have helped to greatly expand the numbers of books and

journals available. With increased scope and better organization of the literature in the reading room, it has been used more by students and faculty members.

At the present time many of the current books and journals of veterinary medicine are available in the reading room. The committee plans to purchase additional books in the basic and applied medical sciences as funds are available.
