E-mail notification of new issues

Abstract

As a subscriber, did you know that you can receive early notification that the *Integrated Crop Management* articles have been posted on the web? The newsletter is now on its weekly crop season production schedule. Articles are collected early each week until August, and the newsletter is posted on the Web while it is still in production; the printed version is mailed later that same week. You can [sign up for the automatic notification service](#) online.

ICM subscribers: E-mail notification gives you access to the latest information even earlier!

As a subscriber, did you know that you can receive early notification that the *ICM* articles have been posted at <http://www.ipm.iastate.edu/ipm/icm/>? The newsletter is now on its weekly crop season production schedule. Articles are collected early each week until August, and the newsletter is posted on the Web while it is still in production; the printed version is mailed later that same week. You can sign up for the automatic notification service by going to <http://www.ipm.iastate.edu/ipm/icm/user/>, then register by completing the electronic form.

Integrated Crop Management is published by Iowa State University Extension, with funding support from the Integrated Pest Management program. Subscriptions are available for \$45 a year from the Extension Distribution Office at ISU. To subscribe or change the address of a current subscription, write to 119 Printing and Publications Building, Iowa State University, Ames, Iowa 50011 or call 515-294-5247. Please indicate that you are inquiring about *Integrated Crop Management*. Marlin E. Rice, Department of Entomology, is executive editor of *ICM Newsletter*; Keven Arrowsmith, Continuing Education and Communication Services, is managing editor; and Donna Halloum, Instructional Technology Center, Iowa State University, is production designer.

... and justice for all

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) Many materials can be made available in alternative formats for ADA clients. To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, DC 20250-9410 or call 202-720-5964. Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Jack M. Payne, director, Cooperative Extension Service, Iowa State University of Science and Technology, Ames, Iowa.
