Christmas Tree Sales

Christmas tree sales went very well this year. The trees were purchased from Woodland Acres Tree Farm in Decorah, Iowa. It is owned and operated by Ken and Mary Hoffman. Tree sales started on December first and ran through December eleventh. The weather was very cooperative and we were able to sell all of the trees we ordered which consisted of 150 Scotch pine and 75 white pine trees. Chris Ball and Craig Letz were co-chairpersons for tree sales this year with Chris taking care of advertising while Craig handled the ordering and budgeting. A lot of assistance was provided by other Forestry Club members as well. Those that deserve special mention are: Dr Joe Colletti, Shannon Baughman, Scott Davis, and Bryce Duncan. With the help and cooperation of these people and several others, tree sales went without a hitch. I would like to take this opportunity to thank all of the people who helped Chris and I with Christmas tree sales.
