XI SIGMA PI

by Rich Straight

This society was set up in 1908 at the University of Washington to encourage and foster high standards of scholarship and personal performance in the forestry and natural resources profession. Here at Iowa State University we have a chapter, Alpha Gamma, which was established in 1965. Since then, juniors and above who show excellence in the field of natural resource management, and who show those character traits indicative of high performance potential, have been invited to become members.

There are four officers elected yearly. Currently, they are Chapter Forester—Rich Straight, Associate Forester—Kim Coder, Secretary/Fiscal Agent—Denise Fardelmann, and Ranger—Bruce Borders. Our faculty advisor is Dr. Fred Hopkins.

Some forestry basics cannot be bought.

The basics you’ll use in your forestry career cannot be bought. They were given to you: your hands, your eyes, your mind.

You develop these basics through education and experience. And you supplement them with man-made tools.

That’s where Forestry Suppliers, Inc. fits in. The tools we sell make it easier for you to develop the basics you were given.

Team up your basics with our tools for your success.
