Poly. Sci., Junior

Like a nightmare coming true
Over the horizon
I see beautiful blue banknotes
Stretching through my mind in
A nightmarish line pleading for
A buttery transfusion from a
mystical bank with a stiff-necked teller.

Truly we are strange creatures
Timid and Tiny minded

Highly civilized—chaotically civilized
Finding self assurance in our loud-voices
Surprised and shocked by the discovery of
Cosanguine notions and prejudices in an
Appley yellow or golden brown.
