Eros of Madness

Lou Cardin

Abstract

through mucous windows the night sky a deep velvet dress exposed to me a creamy-crescent breast the moon a pale pool of yellow that makes me squirm face-down sucking the wet reflection, squeezing a diary full of asterisks...
eros of madness

by lou cardin
speech, sr.

through mucous windows
the night sky
a deep velvet dress
exposed to me
a creamy-crescent breast
the moon
a pale pool of yellow
that makes me squirm
face-down sucking the wet reflection,
squeezing a diary full of asterisks
