STUDENT NEWS

Seniors (light) pass in a game against faculty (dark).

After much hesitation and prodding by the seniors, the faculty accepted a challenge to play a game of touch football.

During the week preceding the game each team practiced, resulting in many sore muscles on both teams.

On the afternoon of the game the Faculty All Stars, led by Coach Dr. "Halas" Wallach, faced the Shifty Seniors, coached by Tom "Van Brocklin" Holcomb.

The passing of Ray "Unitus" Drefke, pass catching of Pete "Barry" Schoeder and line play of Mylon "Ditka" Filkins and Jim "Karras" Howard produced three touchdowns for the seniors.

The alert secondary of the seniors led by "Ball Snatcher" Roepke, "Thief" Frank, and "Pass Stealer" Prasse yielded six interceptions for the seniors. A recovered fumble in the end zone gave the seniors two more points and a 23 to 0 victory. In all fairness credit must be given the faculty for their determination and stamina when faced with such overwhelming odds.

On the serious side it should be said that both the faculty and senior team members enjoyed the game. It is felt that such activities improve faculty-student relations, which are important in a professional college.
