INTEGRATED CROP MANAGEMENT

Field Extension Education Laboratory 2002 brochure

The Field Extension Education Laboratory (FEEL) brochure is now available as a PDF [1].

FEEL offers crop diagnostic, soil management, alfalfa, late-season disease, and IOWATER clinics in addition to courses on the Iowa Crop Management Database, and a review of integrated crop management for agribusiness professionals. The dates for the crop diagnostic clinics are July 15-16, July 17-18, and July 22-23.

To register for these clinics or courses, print the brochure, circle the ones you want to attend, and fill in the total. Mail the registration form with your payment (credit card information or check payable to Iowa State University) to Agribusiness Education Programs, 2104 Agronomy Hall, Iowa State University, Ames, IA 50011. Credit card registrations may be faxed to (515) 432-9549. Please put one name on each form; photocopy for additional registrations.

Registration will be accepted on a first-come, first fee-paid basis. Each clinic or course will have limited enrollment. The registration fee includes course materials, noon meal, and refreshment breaks.

This article originally appeared on pages 90-91 of the IC-488(11) -- June 3, 2002 issue.
