Busy Summering
by Betty Burbank and Henrietta Dunlop

TRIPS abroad, Home Economics Convention and study will make up some of the summer activities of the Home Economics staff members.

Dr. Paulena Nickell will teach a three-week unit on the supervision of home management at Columbia University from July 26 to August 13. Miss Jean Bowman of the Consumer Economics Department will work with Dr. Edith Elmer Wood, national authority on housing, who will conduct a special unit course on housing here the first two weeks of the summer quarter.

Other members of the staff who will be teaching this summer are Miss Dale Jones, Textiles and Clothing Department, who will have charge of the art work at the College of Wichita, Wichita, Kansas, and Miss Enid Sater of the Household Equipment Department. She will teach during the last session of the summer school at the University of Tennessee.

Dr. Louise J. Peet also of the Household Equipment Department has been granted a year's leave of absence to teach chemistry at the American College for Women at Istanbul, Turkey. She will sail from New York early next fall. This will be Dr. Peet's second period of service at this American college.

Several of the Home Economics staff will attend summer sessions at other schools this year. Miss Carolyn Pope of the Applied Art Department will study in New York, while Miss Ruth Bonde, Textiles and Clothing, will spend both sessions at Chicago University studying under Dr. Kyrk. Dr. Margaret Reid is studying economic development in England in May and will spend the remainder of the summer on the continent.

Iowa State College will be represented at the Home Economics Convention in Pittsburgh in June. Miss Lowe of the Experimental Foods Department is planning to attend and Miss Hester Chadderdon, Education Department, on leave of absence now, will also be present.

Miss Virginia Lincoln, who is a member of the Household Equipment Department, is looking forward to a trip abroad this summer.

Miss Genevieve Fisher, dean of Home Economics, will leave during the latter part of July for a cruise through the Scandinavian countries and Russia. She will return the last week of August. This will be Dean Fisher's fourth European trip.

Marian Rahn, retiring president of the Home Economics Club, will act as National Chairman of the college section of the American Home Economics Association Convention. She has also acted as president of the State Home Economics Club during the past year. Marguerite Root, recently elected to head the club for 1938-39, will be the other official delegate from Iowa State.

Stocking-twitchers and girdle-bitchers
Are not the girls men fait for.
To rid your legs of misfit plaques,
Just step right up and cast for—

Belle-Sharmeer Stockings
IN YOUR OWN LEG SIZE

Belle-Sharmeer Stockings stay straight and sleek because they're made to fit in width as well as in length. Ask for your individual leg size by name. Bree for smalls, Modite for mediums, Duchess for talls, Classic for plumps. . . . .
