Next ICM Conference: Mark your calendar

Abstract
More than 800 people attended the 11th annual Integrated Crop Management (ICM) Conference held at Iowa State University. If you missed this 2-day conference last year, you missed a lot! The conference had 44 workshops covering a variety of topics, including soil fertility, crops, weeds, herbicides, diseases, and insects. Information on the agricultural economy, organic and genetically modified crops, and manure programs also was presented.

Keywords
Agronomy

Disciplines
Agricultural Education | Agricultural Science | Agriculture | Agronomy and Crop Sciences
