Fine. I said it's fine. Everything here is fine.
We don't mind—it's so fine.

We can ALL choose
and we refuse
to eat tuna
use styrofoam
drink Coke
smoke dope
hate and
discriminate
to beat up others
for their mate
date rape
to buy Guess
grapes
Exxon
Dominoes
and Scrimshaw.
We all use paper
no plastic please
I get as much money
as a man
69 cents was never grand.
The night is safe
and women can walk alone
Self-determination
we all condone.
Toxic waste
is not dumped
with haste
our waters are clean
and I mean,
nuclear free
those ships of the sea.
Peace in the Middle East
we helped out at least.
We all know
that power over
is different when you’re under.
Biko is out
people all doubt
that Quayle is capable
there is a staple
of food for the Third World
Donald Trump builds
public housing
and Bush doesn’t lie.
Our lungs
are not a landfill anymore
All along the shore
there are no oil spills.
Dioxon poisoning
and ocean strip mining
are prevented.
Eating disorders
do not exist
we insist
there be no
agism
classism
sexism
racism.
We banned
Photoplankton blooms
chlorofluorocarbons
pentachlorophenol
racial slurs
and buying furs.
The ozone hole is gone
and acid rain
doesn’t water the lawn.
We saved the dolphins
the Beluga whales
the roos
the sea turtles
the seals
the polar bear
the panda bear
the wolf
the crocodile
the rain forest
the planet
We saved the people.
And we ALL—
are fine.
