Untitled for Boonie

Sarah Shimek*
he is a
‘57 chevy.
rebuilt,
with glass packs,
and a 4:11 rear end...
for street dragging.
when he revs his engine
the whole world
trembles.

his smile,
the wide chrome grill
and his hair,
slick and black
where it curls
over his windshield.
his polished hubcaps
shine and whirl
as he cruises towards me.

he is a
‘57 chevy,
when he revs
his engine,
my whole world
trembles.

vroom, vroom.
