propped onto the sink counter
mirror spotted with the shrapnel
of body spray. arm flexed
American Eagle boxers hanging
loose on prominent hips.
i picture her biting her lip
when she opens it, see her
pretty eyes spark with desire.
she wants this, I know.
the complement of a catcall-
they want the attention but
the good ones act offended.
her legs are a door, closed but
unlocked, she just needs a turn.
so i'll tell her i'm thinking of her
as i show her what i'm offering.
tonight when she's in bed, i'll implore
what she would do if i was there with her.
if she rejects me i have an arsenal
of reasons why and none of them are me
i am god's gift to women
and she is just a bitch who
can't recognize a compliment.
