Salem Press,

I work for the Iowa State University Library and I have been working with Dr. David B. Hollander to get their scholarship deposited in our institutional repository, Digital Repository @ Iowa State University. Dr. Hollander is a contributing author to several of your encyclopedias and I am writing for permission to deposit copies of their encyclopedia entries in our repository.

Dr. Hollander has published 4 encyclopedia entries through Salem Press, including:

- “Hero of Alexandria” in *Great Lives from History: Inventors and Inventions*, ed. A. K. Benson, Salem Press (2009) 514 - 517.
- “Marcus Junius Brutus” in *Great Lives from History: Notorious Lives*, ed. Carl L. Bankston III, Salem Press (2007) 146 - 148.
- “Trade, Commerce, and Colonization” in *Ancient Greece*, ed. T. J. Sienkewicz, Salem Press (2006) 842 - 845.
- “The Thirty Tyrants” in *Great Events from History: The Ancient World, Prehistory – 476 c. e.*, ed. M. W. Chavalas et al., Salem Press (2004) 475 - 477.

Digital Repository @ Iowa State University is a non-commercial institutional repository that provides access to the scholarship of Iowa State University’s faculty, students and staff. This scholarship is made available for personal, educational and research use. All articles deposited in the repository are described with complete bibliographic information for the original publication and includes an explicit statement identifying the date and owner of copyright.

Please let me know if we have permission to deposit these articles in our repository. I look forward to hearing from you.
