Dear D. Scott Marron,

I will have to check each paper to see whether or not the paper was published in the *Transportation Research Record*. It will take me a few days. I will get back to sometime next week. Unless you can assure me with absolute certainty that none of the papers was published in the Record, I cannot grant permission at this time.

Sincerely,

Hi Jennifer,

Iowa State University wants to know if they can store copies of papers authored or co-authored by one of their professors in their digital repository. These are all AM papers.
