Kanye West // “MONSTER”
We’re over the Taylor Swift thing by now right? Ye gets an A-list lineup together for this track with Bon Iver, Jay-Z, Nicki Minaj, all making brilliant cameos. And it’s gold.

THE LIMOUSINES // “INTERNET KILLED THE VIDEO STAR”

Kris Allen // “ALRIGHT WITH ME”

Robyn // INDESTRUCTIBLE

THE MORNING BENDERS // “COLD HANDS”
We like bands who aren’t afraid to dress normal, resisting trendy circulation-cutting pants and child sized shirts. Add to that a ramshackle charm and a freakin’ glockenspiel and you have this track we adore.

Jessie J. // “DO IT LIKE A DUDE”
Hate on Miley all you want, but you can’t deny that you’ve drunkenly sang along to “Party in the USA.” Good news: one half of the songwriting team behind that masterpiece is busting out with a singing career. Her debut is pop perfection.

Kings of Leon // “THE END”
We had a hard time nailing down one song off their new album, so we went with the first track. If you liked any of their previous albums, you won’t be let down.

Mark Ronson and the Business Intl // “INTRODUCING THE BUSINESS”

Natasha Bedingfield // “STRIP ME”

Ingrid Michaelson // “PARACHUTE”

Two Door Club // “I CAN TALK”

Bruno Mars // “GRENADE”

1. Thou shall wear a t-shirt before it’s time to go out.
2. Thou shall pump in the club and pump in the bed.
3. Thou shall leave the grenades and hippos at home.
4. Thou shall never look like a pilgrim from the ‘20s.
5. Thou shall shun the shit out of Angelina.
6. If thou can say, “I’m done with Ronnie” once, thou shall repeat it for at least another three months.
7. Thou shall GTL (unless thou checks out our feature on page 24).
8. Thou shall worship no false Situations.
9. Thou shall not smoosh with more than three roommates.
10. If thou was punched in the face at a bar, thou shall go out and get into another fight tomorrow.

The Ten Commandments According To...
THE JERSEY SHORE

Our new favorite drinking game

Pedestrian piggyback:
When at the bar, jump on the back of the biggest motherfucker in the building. See how long you can stay on.

*Ethos is not responsible for any black eyes or broken noses caused by said motherfucker.
A study of US college students found that over a two-year period, both men and women had twice as many one night stands as first dates. #morals

New York’s “The Rent is Too Damn High Party”: It only there were more bearded politicians like Jimmy McMillan.

Heritage 1981 removes the men’s section from their only Iowa store. Now guys have to drive out of state for decent shopping.

The third season of Jersey Shore is scheduled to premiere in January, sans Angelina (better known as the “Staten Island Dump”).

The original songwriter.

New Medal of Honor video game allows you to play as the Taliban. This could possibly be the definition of “too soon.”

The original songwriter.

Did we mention Ethos launched a new website? Beyond awesome.

FIVE WAYS TO PISS OFF YOUR ROOMIE

1. Collect every Daily for the rest of the semester. Sure, they may book you for an episode of A&E’s Hoarders, but at least you’ll look well informed.

2. Strategically leave hair in your shared soap. The curlier, the better!

3. Pleasure yourself to their family photos. Just leave Grandma out of it—that’s not right, man...

4. Continually hit the snooze button on your alarm clock. Don’t over do it though; they may try to strangle you with the cord.

5. Watch porn on their computer without resetting the history. Imagine the hilarity as they try to explain to their new girlfriend that they went to DirtyDungeons.com for a research paper!
