Review and Quiz Modules for Iowa Commercial Pesticide Applicator Manual Now Available

Betsy Buffington, Department of Entomology

A new CD/DVD, the Iowa Core Companion, now is available to assist those preparing for the commercial pesticide applicator core exam. It provides reviews and quizzes for a better understanding of the material covered in the Iowa Core Manual. The Iowa Core Companion review and practice quizzes are based on information needed to pass the Iowa Core examination for commercial pesticide applicators.

The review module contains the learning objectives from each chapter of the core manual, case studies and over 100 review questions. The quiz module contains over 100 multiple-choice, true/false, and matching questions. This training should be used in association with the Iowa Core Manual, IC 445.

The Iowa Core Companion can be purchased as a set with the Iowa Core Manual or alone from the ISU Extension Online Store, 515-294-5247. It also is available for digital download for the online store.
