Cultivating the agrarian dream: Aspiring agri-entrepreneurs helping one another choose their path

Abstract
This was the original project description: This is an outreach education effort led by ISU Extension's Small Farm Sustainability program. The investigator will develop, offer and evaluate workshops for farmer entrepreneurs, and create a forum for participants to interact with veteran entrepreneurs. The program will allow participants to look at where they currently are and where they’d like to be in relation to their dream farm business. Cultivating the Agrarian Dream will direct the most dedicated participants into more comprehensive training.

Keywords
Human systems demographics and beginning farmer programs

Disciplines
Agribusiness | Entrepreneurial and Small Business Operations | Human Geography
