* By "thousands," we mean five hundred. OK, we actually mean 197 students.
** ethos cannot guarantee this is the actual campus pulse. After all, college students are a finicky bunch, prone to change their minds at any moment. Plus, we don't even know what a "campus pulse" is. It just sounded good. Very official. Right? Right. Anyway, we tried really hard to make this poll accurate. So, give us a little credit.
