OIL-BASED lubricants cause condoms to perish. Never use baby oil, vaseline, or petroleum jelly.

Pre-1600’s, most were glandular condoms, meaning they were shaped to fit over just the tip.

European markets prefer texture, shapes, and racier box designs, while Brazilian markets prefer the taste of peppermint and menthol.

The second week of February is National Condom Week.

Material Effectiveness: Latex > Lambskin

If used correctly every time you have sex, latex condoms will help to reduce, but not completely eliminate the risk of transmission of HIV/AIDS and many other sexually transmitted infections (STIs). They are also effective in preventing unintended pregnancy.
What is the best purchase you have made this semester? Hands down my boom box party pack. It has a pocket that I can hook my iPod up to and then it plays out the speakers on the front. It makes me look like I have swag, unless of course I'm listening to Adele.

What's your favorite 90's throwback song? I think people don't give BBMak enough credit as a boy band because they stood in the shadows of 'Nsync and The Backstreet Boys. But their song "Back Here" will always be a number one in my heart.

My heart.

How long does it take you (or however long you choose) to take a quick study break (or however long it takes you).

Top Tunes? Not including "Party in the U.S.A.?” Santigold’s “Disparate Youth.” If they played it at the bars, Ames would burn to gold.

What are you doing right now? Preparing for VEISHEA.

What should we put on the cover are doing. And now you’re feeling down. But that’s okay because only a couple have done it, and now you have Ethos in your hands. Just know it’s perfectly normal to get hot for a magazine. Now go read the story and then take a quick study break (or however long it takes you).

Who inspires you? Gorgeous. I want to visit Bhutan so much. The Kingdom of Bhutan is most awesome place I have ever met. She has a great personality and gets along with everyone; sometimes I FaceTime her at parties so my friends can tell her hello! She inspires me to love and enjoy my life.
