GENERAL

Dr. Leslie M. Hurt, '04, has announced his retirement after more than 25 years in charge of the Los Angeles County Livestock Department. After receiving his D.V.M. degree, Dr. Hurt entered the Bureau of Animal Industry and later joined the faculty at Iowa State College. He assumed the duties of experiment station veterinarian and professor of veterinary science at Michigan State College in 1907 and, in 1912, accepted the position of city veterinarian for Pasadena. Shortly thereafter, he accepted the position of livestock inspector of Los Angeles County. He served as president of the AVMA (1948-1949).

Dr. L. M. Hurt, '04, Los Angeles, California, was the oldest I.S.C. alumnus present at an alumni dinner at the Miami convention.

Dr. Thomas G. Fultz, '10, Pella, Iowa, has been elected district governor of Rotary International for 1950-1951. Dr. Fultz served as mayor of Pella from 1931 to 1943, and is a former city councilman. He has practiced in Pella for forty years.

Dr. S. H. McNutt, '17, Madison, Wisconsin, of the Department of Veterinary Science, University of Wisconsin, discussed “Studies on Lower Fertility in Dairy Cattle” and “Swine Diseases” at the forty-third annual conference for veterinarians at the New York State Veterinary College, Cornell University, Ithaca, held on Jan. 3-5, 1951.

Dr. W. A. Aitken, '17, Merrill, Iowa, presented a paper on “Swine Erysipelas in Northwest Iowa” at the annual meeting of the Eastern Iowa Veterinary Association held at Cedar Rapids on Oct. 19-20, 1950.

Dr. Hugh Fitch, '18, Missouri Valley, discussed “Cesarean Section in Sows” at the annual meeting of the Interstate Veterinary Medical Association held at Sioux City, Iowa, on Nov. 1-2, 1950.

Dr. H. Van Roekel, '25, discussed “The Intranasal Vaccine, Its Role in a Newcastle Disease Control Program,” and “Significant Observations in Pullorum Disease Eradication” at the annual meeting of the U. S. Livestock Sanitary Association in Phoenix, Arizona.

Dr. Frank Thorp, Jr., '26, veterinary pathology research professor at Michigan State College, discussed “Sheep Diseases of the Breeding Flock and Feedlot” at the annual meeting of the Eastern Iowa Veterinary Association held at Cedar Rapids, Iowa, on Oct. 19-20, 1950.

Dr. Frank Thorp, Jr., '26, East Lansing, Michigan, discussed “Diseases of Sheep” and “Nutrition and Its Relation to Swine Enteritis” at the twenty-fourth annual
conference for veterinarians, sponsored by the University of Kentucky, Lexington, held on Dec. 6-7, 1950, at the Agricultural Experiment Station.

Dr. C. D. Lee, '27, extension veterinarian, Iowa State College, Ames, discussed "Poultry Disease Control" at the annual meeting of the South Dakota Veterinary Medical Association on Oct. 12-13, 1950, at Sioux Falls.

Dr. Robert Haxby, '27, a practitioner of Clarinda, Iowa, discussed "Veterinary Administration and Dispensing Practices" at the fall meeting of the Southwestern Iowa Veterinary Medical Association held at Council Bluffs, Oct. 3, 1950.

Dr. F. F. Smith, '28, Emery, South Dakota, discussed "Leptospirosis in Cattle" at the annual meeting of the Interstate Veterinary Medical Association held at Sioux City, Iowa, on Nov. 1-2, 1950.

Dr. K. L. Bullis, '28, discussed "Significant Observations in Pullorum Disease Eradication" at the annual meeting of the U. S. Livestock Sanitary Association in Phoenix, Arizona.

Dr. E. H. Nordstrom, '29, U. S. BAI, Des Moines, Iowa, showed the motion picture on foot-and-mouth disease, "Outbreak," at the fall meeting of the Southwestern Iowa Veterinary Medical Association held at Council Bluffs, Oct. 3, 1950.

Dr. P. J. Meginnis, '31, Cicero, Illinois, discussed "Light Horse Practice" at a short course held at the College of Veterinary Medicine, University of Illinois, on Oct. 25, 1950.

Dr. Wayne H. Riser, '32, Skokie, Illinois, discussed "Modern Small Animal Practice" at the forty-seventh annual convention of the Kansas Veterinary Medical Association held at Wichita, Kansas, on Jan. 17-19, 1951.

Dr. B. S. Pomeroy, '33, School of Veterinary Medicine, University of Minnesota, presented "What Can Be Done About Respiratory Diseases of Poultry" at the annual meeting of the Eastern Iowa Veterinary Association held at Cedar Rapids, Iowa, on Oct. 19-20, 1950.

Dr. B. S. Pomeroy, '33, St. Paul, Minnesota, was re-elected secretary-treasurer of the Minnesota State Veterinary Medical Society at the annual meeting held at Minneapolis, Minnesota, on Jan. 31-Feb. 2, 1951.

Dr. P. L. Piercy, '33, Athens, Ga. was elected historian of Omega Tau Sigma meeting in Guelph, Ontario, Nov. 10, 1950.

Dr. E. G. Hughes, '34, Sleepy Eye, Minnesota, was elected second vice president of the Minnesota State Veterinary Medical Society at the annual meeting on Jan. 31, Feb. 1-2, 1951.

Dr. G. A. Pollman, '34, Appleton, was elected president of the Central Minnesota Veterinary Association at a meeting on Oct. 1, 1950 in Benson, Minn.

Dr. E. B. Ingmand, '34, Red Oak, Iowa, was elected an executive board member of the Southwestern Iowa Veterinary Medical Association at the fall meeting in Council Bluffs, Iowa, on Oct. 3, 1950.

Dr. E. B. Ingmand, '34, Red Oak, Iowa, a poultry nutritionist, discussed "Poultry Practice" at the fall meeting of the Southwestern Iowa Veterinary Medical Association held at Council Bluffs, Oct. 3, 1950.
Dr. E. B. Ingmand, '34, Red Oak, presented a talk on “The Animal Protein Factor in Swine Nutrition” at the annual meeting of the Interstate Veterinary Medical Association held at Sioux City, Iowa, Nov. 1-2, 1950.

Capt. Lloyd V. Fry, '37, has been recently promoted to the rank of lieutenant colonel, U. S. Army, Veterinary Corps. Colonel Fry is the son of Dr. and Mrs. Harry J. Fry, Kalona, Iowa. He is an overseas veteran of World War II, and is presently serving as veterinary consultant to the Surgeon General’s Office, Washington, D.C.

Dr. E. T. Anderson, '37, Dixon, Illinois, gave an illustrated talk on “A Day in Veterinary Practice” at the annual meeting of the South Dakota Veterinary Medical Association on Oct. 12-13, 1950, at Sioux Falls.

Dr. R. M. Scott, '38, Sioux Falls, was elected secretary-treasurer of the South Dakota Veterinary Medical Association at its annual meeting on Oct. 12-13, 1950, at Sioux Falls.

Dr. John M. Higbee, '39, Albert Lee, Minnesota, gave an illustrated discourse on “Cesarean Section in the Sow” at the annual meeting of the South Dakota Veterinary Medical Association on Oct. 12-13, 1950, at Sioux Falls.

Dr. R. A. Packer, '40, Ames, Iowa, was elected a member of the executive committee of the national society of Phi Zeta at a meeting on Aug. 22, 1950 at Miami Beach, Florida.

Dr. A. L. Antroinen, '40, Ortonville, was elected secretary of the Central Minnesota Veterinary Association at a meeting on Oct. 1, 1950, in Benson, Minnesota.

Dr. H. E. Jensen, '41, Cleveland, Ohio, gave an illustrated discussion of “Small Animal Practice” at the annual meeting of the Mississippi Valley Veterinary Medical Association held at Peoria, Illinois. He also visited Iowa State College and presented a similar discussion to the veterinary students.

Dr. John P. Arnold, '41, formerly in general practice at Mora, Minnesota, has been appointed instructor in surgery in the Section of Clinics, School of Veterinary Medicine, University of Minnesota. From 1946 to 1948, Dr. Arnold was on the staff of Iowa State College in the Department of Surgery, where he fulfilled requirements for his M. S. degree.

Dr. L. T. Christenson, '42, Hancock, Minnesota, was elected as a member of the Board of Trustees of the Minnesota State Veterinary Medical Society at the annual meeting held at Minneapolis, on Jan. 31 to Feb. 2, 1951. At an I. S. C. alumni luncheon held in the Hennepin Room of the Hotel Nicolet, Dr. Christenson presented an excellent film taken by him at the Veterinary Homecoming and the Iowa State vs. Kansas State football game last year. Sixty eight alumni of I. S. C. from Minnesota, South Dakota, Iowa, Nebraska, and Illinois attended this luncheon. This group unanimously endorsed the Veterinary Alumni Homecoming Banquet at I. S. C.

Dr. C. D. Van Houweling, '42, assistant executive secretary of the AVMA, Chicago, Illinois, discussed “AVMA Participation in National Planning” at the annual meeting of the West Virginia Veterinary Medical Association held in Clarksburg on Oct. 8-9, 1950.

Dr. E. S. McClelland, '42, Aledo, Illinois, presented a discussion on “Diseases of the Pregnant Sow” at the annual convention of the Mississippi Valley Association held at Peoria, Illinois, Nov. 1-2, 1950.

Dr. James Flanary, '43, St. Charles, was elected president of the Southern Minnesota Veterinary Medical Society at its fall dinner meeting on Oct. 18, 1950, at Austin, Minnesota.

Dr. W. H. Calhoun, '43, Riceville, Iowa, was elected vice-president of the Southern Minnesota Veterinary Medical Society.

Dr. D. L. Spaulding, '43, Coin, Iowa, was elected secretary-treasurer of the Southwestern Iowa Veterinary Medical Association at the fall meeting in Council Bluffs on Oct. 3, 1950.

Dr. Gustaf J. Olson, '43, Detroit Lakes, Minn. opened the Olson Veterinary Hospital, in November.

Dr. Lawrence L. Epensen, '43, formerly of McAllen, Texas is located for general practice at Rolling Fork, Miss.

Dr. R. C. Brager, '43, Hammond, Indiana, has opened the Brager Dog and Cat Hospital.

Dr. Robert E. Pierson, '43, Saratoga, Wyo, is building a new animal hospital.

Dr. R. W. Brown, '43, Storm Lake, Iowa, discussed “Poultry Practice for the General Practitioner” at the annual meeting of the Minnesota State Veterinary Medical Society held at Minneapolis, on Jan. 31 to Feb. 2, 1951.

Dr. H. E. Dale, '44, was appointed instructor in the physiology section of the Veterinary Department, University of Wisconsin. He will assist in teaching while pursuing graduate work toward the Ph.D. degree in physiology with a joint major in veterinary science and physiological chemistry.

Drs. A. B. Magnusson, '45, Blooming Prairie, and C. E. Schrafel, '46, Austin, Minnesota, were elected to the Board of Trustees of the Southern Minnesota Veterinary Medical Society at the fall meeting on Oct. 18, 1950, at Austin, Minnesota.

BIRTHS

To Dr. and Mrs. Myron S. Arlein, '38, Newark, N. J., a son Paul Howard, on Oct. 20, 1950.

To Dr. and Mrs. W. H. Wert, '38, St. Charles, Missouri, a son, Richard Stewart, on July 12, 1950.

To Dr. and Mrs. Roy B. Price, '41, Monmouth, Ill., a daughter, Diana Lynn, on Sept. 21, 1950.

To Dr. and Mrs. Jack McIntire, '43, Bossier City, Louisiana, a son, David Douglas, on Dec. 8, 1950.

To Dr. and Mrs. Gerald Chapman, '44, Cascade, Iowa, a daughter Christine Marie, on Sept. 28, 1950.

To Dr. and Mrs. T. T. Bowstead, '44, Dewitt, Iowa, a son, on Jan. 16, 1951.

To Dr. and Mrs. Virgil Reinhart, '44, Norway, Iowa, a son, Mark Virgil, on Jan. 17, 1951.

To Dr. & Mrs. Leo L. Lemonds, '49, Hastings, Neb., a daughter, Jean Rae, on Aug. 2, 1950.

To Dr. & Mrs. Glenn I. Luymes, '50, Galva, Ill., a daughter, Nancy Jean, on Aug. 6, 1950.

To Dr. & Mrs. Hacecky, '50, Yankton, S. D., a son, Terrence R., on July 14, 1950.

To Dr. & Mrs. R. T. Howard, '47, Kanawha, Iowa, a daughter, Carol Elizabeth on Dec. 20, 1950.

Protein-Tested Milk

In the future the protein in milk may be more important than the fat content. Milk protein is easily digested and is an important health food. On the other hand, housewives are using more vegetable fats and less butterfat. Maybe some day milk will be bought on a “protein test.”

From the results obtained by treating 20 cases of anaplasmosis in cattle, aralen diphosphate is indicated in the treatment of these animals in southern Oregon and northern California.

The gastro-intestinal disturbances which sometimes occur when gelatin capsules are administered can be avoided if the capsules are carefully moistened with warm water just prior to administration. This eliminates the tendency of the gelatin to adhere to the mucosa, thus causing irritation by concentrating the drug content at one point.

Investigations show that rats are possible spreaders of swine erysipelas.
