FEATURED STUDENT

Hjalmar “Pete” Sandberg was born at Fort Dodge, Iowa. He attended both grade and high school there. Following graduation he assisted in the operation of his father’s farm for three years. In January, 1946, he enrolled at Iowa State College in the Division of Engineering. He later switched to Science (pre-vet) and in the fall of 1948 entered the Division of Veterinary Medicine.

“Pete” has been very active while at Iowa State and hence is well known all over the campus. As a freshman, he served on the Memorial Union Student Board, as a sophomore he was a member of the Memorial Union Student Board and was Union Nite Club chairman. As a junior he was a member of Cardinal Guild, serving as Orchestra Service manager for that group; and president of the Memorial Union Student Board. At present he is president of the all-college student body; business manager for the Iowa State College Veterinarian; a member of the Memorial Union Student Board; a member of Cardinal Guild; and chairman of the conference of the student section of the 1952 Association of College Unions National Conference. He is a member of Phi Zeta, Alpha Zeta, Cardinal Key, Sigma Phi Epsilon and the student chapter of the A.V.M.A.

In December, 1950, he was married to Miss Juana Kirchner of Fort Dodge and at present they are living at 1071 Pammel Court. After graduating in June “Pete” plans to go into general practice.

BIRTHS

A son, Gary Joseph, to Mr. and Mrs. Dale Spear on Nov. 10, 1951. Mr. Spear is a third-year student.

A daughter, Leah Lynn, to Mr. and Mrs. E. L. Robinson on Nov. 13, 1951. Mr. Robinson is a fourth-year student.

A son, Michael Alan, to Mr. and Mrs. Ed Cunningham on Nov. 16, 1951. Mr. Cunningham is a fourth-year student.

A daughter, Catherine Wha Soon, to Mr. and Mrs. N. Y. Chung on Dec. 16, 1951. Mr. Chung is a third-year student.
A son, Paul W., to Mr. and Mrs. Donald L. Fritz on Feb. 8, 1952. Mr. Fritz is a fourth-year student.

A son, John Edward, to Mr. and Mrs. Robert N. Overland on Feb. 14, 1952. Mr. Overland is a fourth-year student.

MARRIAGES

Miss Betty Krog to Radean Miskimins at Wessington Springs, S. Dak., on Dec. 22, 1951. Mr. Miskimins is a fourth-year student.

Miss Jennie Hargis to Everett Cook at Des Moines, Iowa, on Dec. 30, 1951. Mr. Cook is a third-year student.

Miss Bonita Ann Smith to Daryl K. Thorpe at Cedar Rapids, Iowa, on February 22. Mr. Thorpe is a fourth-year student.

Brucellosis

Bang’s Disease is on the run in Wisconsin under the new law. Every beef herd must be blood tested. Every dairy herd is automatically ring tested when the milk is delivered at the plant. The State pays for blood testing and for calfhood vaccination, as well as indemnities for qualifying herds. Appropriation totals nearly $2,000,000 a year — $575,000 for brucellosis indemnities, and $25,000 for TB cattle slaughtered.

Brucella Vaccine

According to the Agricultural Research Council Field Station, Compton, Gerkshire, England, the intradermal inoculation of 0.2 cc. or the intracaudal inoculation of 1.0 cc. of strain 19 Brucella abortus vaccine confers an immunity in heifers comparable to that produced by the subcutaneous inoculation of 5.0 cc. of the same antigen.

DEPENDABLE

For the past 20 years the “DIAMOND BRAND” name has stood for dependable products.

Veterinarians can vaccinate with Diamond Anti-Hog Cholera Serum and Hog Cholera Virus in complete confidence of conferring safe and dependable immunity.

Diamond Serum Company sells directly to Graduate Veterinarians only, through the policy of shipping directly from the point of manufacture, and not operating through distributing stations. Under this policy it benefits you two ways:

1. This big savings saved, is directly rebated to our Veterinarian friends in the selling price of Diamond Serum and Virus.
2. Your orders will be filled from fresh stock, without the chance of double shipping and careless handling. Your orders are treated individually, and shipped to you prepaid in the fastest manner that is at our disposal.

"Why pay more when you cannot buy better?"

DIAMOND SERUM COMPANY

U. S. Veterinary License #213
