Abstract

There must be a god in the Heavens above (Or perhaps it’s a devil in Hell)...
The Balance

There must be a god in the Heavens above
(Or perhaps it's a devil in Hell)
Who takes care of the matter of falling in love
And who messes it up pretty well.

But there is another: an angel, perhaps
(Who has a department, it seems)
For easing the grief of all heart-broken chaps
By letting them live in their dreams.
