Minutes of the 2nd Annual Meeting

Iowa State College Veterinary Medical Alumni Association

Hotel Fort Des Moines, Des Moines, Iowa

January 18, 1955

The meeting was called to order at 8:15 p.m. with President Stanley L. Hendricks ('34) presiding. Approximately 60 alumni were present. The minutes of the organizational meeting of 1954, a copy of which all I.S.C. veterinary alumni received, were presented by Secretary H. D. Bergman ('10) and approved by motion.

The first major item of the agenda was the report of the Executive Committee presented by the secretary. The report is as follows:

Article II of the By-Laws stipulates that there shall be at least one regular business meeting held during the annual convention of the Iowa Veterinary Medical Association at a time and date determined by the Executive Committee. Article I, Section 4, states, in part, that the Executive Committee shall assume and have general supervision of the Association and act as an advisory board.

The Executive Committee has carried out its regular duties and the general instructions and specific proposals approved at the organizational meeting of Jan. 19, 1954. The major efforts have been in developing contacts with all alumni nationwide, and soliciting memberships. A special effort has been made to expand the alumni section of the Iowa State College Veterinarian, which publication all alumni receive in connection with their annual dues of $2.00, and also cooperate with various class groups.

Primary efforts have been largely toward developing an organization with a substantial membership and established income before attempting the special functions and objectives of such an organization. The past year has been somewhat of an experiment to determine to what extent our alumni are interested, which of course is indicated by the size of the membership. The result has been gratifying in that we now have approximately 850 members out of a total of 1,577 living alumni, and a balance of $789.70 in the treasury. This is after $1.00 has been allocated from each membership to the I.S.C. Veterinarian for the member's subscription. Efforts to increase membership will of course continue. As authorized at the first annual meeting, preliminary steps have been taken toward incorporating the Association.
At a meeting of the Executive Committee in Ames on Jan. 5, 1955, the following proposals were approved and recommended for action at the annual business meeting of the Association on January 18.

1. It is recommended that effective for 1955, the fiscal or membership year of the Alumni Association be the regular calendar year of January 1 to December 31. This will necessitate an explanatory statement to accompany the statement of dues for 1955 and possibly may entail some small financial sacrifice on memberships in a few instances; however, it is essential to putting all memberships on the same basis.

2. It is recommended that the secretary-treasurer's office cooperate with the officers of classes which may wish to have reunions, or are seeking information pertaining to their class rosters, even if some small expense is involved.

3. Now that the Alumni Association appears to be a reality with definite alumni interest in its future, it seems desirable to approve certain projects for 1955 which will involve a total expenditure of $200.00 as follows: (a) An award of $50.00 to a member of the Sophomore Class in Veterinary Medicine for certain attainments and qualities, the specifications to be worked out with the Committee on Honors and Awards of the veterinary faculty; the award to be listed in the college catalog. (b) A similar award to a selected member of the Junior Class to be listed in the college catalog. (c) A contribution in 1955 of $50.00 to the Student Veterinary Medical Reading Room for current professional periodicals or books. (d) A contribution in 1955 of $50.00 to the A.V.M.A. Research Fund for veterinary student post-graduate study.

The report was approved by motion with the understanding that implementation of details would be taken care of under new business.

The report of the Auditing Committee was presented by Chairman P. V. Neuzil ('20).

The report was approved by motion.

### TREASURER'S REPORT FOR 1954

| Description                                                                 | Amount  
|------------------------------------------------------------------------------|---------
| Total Deposits (Membership fees)                                            | $1,232.15  
| Disbursements                                                               |         
| Postal cards                                                                | $ 20.00  
| Printing                                                                    |  8.91   
| Stamped envelopes                                                           |  3.66   
| Bank service charges                                                        |  24.38  
| Turned over to I.S.C. Veterinarian for new subscriptions                    |  385.50  
|                                                                              | **$ 442.45**  
| Bank balance January 1, 1955                                               | $ 789.70  

The Auditing Committee has examined the records of the Treasurer, including bank deposit book, cancelled vouchers and bank statements, has found these records correct as stated and recommends the adoption of this report.

Signed: P. V. Neuzil

P. J. Gray

### Election of Officers

The report of the Nominating Committee was presented by Chairman G. B. Fincham ('18).

It was recommended that all current officers, including members of the Executive Committee, be re-elected for the year 1955 in order that their experience of the organizational year may be utilized in further development of association activities. There being no further nominations the current officers were re-elected by motion for another year. The officers for 1955 are:

Stanley L. Hendrick ('34)—President
P. V. Neuzil ('20)—Vice President
H. D. Bergman ('10)—Secretary-Treasurer
F. E. Brutsman ('40)—Member, Executive Committee
B. J. Gray ('43)—Member, Executive Committee

There being no unfinished business, the President asked for items of new business from the officers, or members, either for action or as suggestions to the Executive Committee. Proposals were made as follows:

1. In order to assure continuity of effort in the management of association affairs, it was suggested that Article IV of the Constitution...
be amended so as to stagger the expiration of terms of service of the elective officers, or some other way developed whereby better continuity of effort might be effected. It was moved and carried "that a committee be appointed to study the matter and report at the next annual meeting."

2. Dean Merchant requested the appointment of a representative committee of alumni association members to serve in an advisory capacity to the dean in administrative matters of mutual interest. It was moved and carried "that such an advisory committee be appointed by the president."

3. The matter of ways and means of increasing alumni membership and interest in alumni projects was discussed by several members. It was the opinion that interest should be developed at the class level through better organization of the classes, with the cooperation of the officers of the alumni association.

4. It was proposed that consideration be given to the establishment of a memorial award in the near future in the name of Captain Burton C. Thomson ('38), Veterinary Corps, U. S. Army, who lost his life at the hands of the Japanese in World War II under infamous circumstances, with which the veterinary profession as a whole and Iowa State College alumni are generally familiar.

5. In the general discussion following completion of the regular business of the association, there were favorable comments on the annual Christmas letter to all veterinary alumni from Dean Merchant and the fact that it contains reference to the activities and value of the alumni association. It was emphasized by several alumni that in laying down stipulations for awards to students from the alumni association, there should be careful consideration of requirements other than scholarship alone, such as financial need, extra curricular activities such as Veishea, the Iowa State College Veterinarian, athletics, etc. Many alumni were desirous of increasing the contribution to the newly developed veterinary student reading room.

Reference was also made to the cooperation extended to the Class of 1934, both before and after their reunion at the October, 1954 Veterinary Division Homecoming, as an example of the cooperation that may be extended to individual classes by the alumni association in matters of class interest.

Meeting adjourned at 10:00 p.m.

—H. D. Bergman
Secretary-Treasurer

Minnesota Luncheon for Iowa State Alumni

The Iowa State Alumni luncheon, held in the East Room of the Nicollet Hotel, Tuesday noon Jan. 25, 1955, was held in conjunction with the Minnesota State Veterinary Medical Society meeting. It was the largest one they have ever had, with 91 Iowa Staters served.

Dr. R. Getty and Dr. C. D. Lee spoke to the group and delivered a great deal of news about ISC and the Veterinary Division during the short, 1½ hour program. Everyone present was interested in this news about the teachers and staff members, and particular interest was shown in the building program and changes in the athletic department. The group is hopeful that they will always be able to have staff members present to add their very important part to the occasion.

Dr. Henry Griffiths was elected secretary-treasurer of the ISC Alumni group for the next year. Other Iowa graduates holding offices in the Minnesota State Veterinary Medical Society are: Dr. L. H. Pint, Austin, Minn., president-elect; Dr. C. G. Hartle, Minneapolis, Minn., 2nd vice president; Dr. B. S. Pomeroy, St. Paul, Minn., secretary-treasurer; and Dr. H. E. Schwermann, New Ulm, Minn., 1st vice president.

Committee reports were given by these Iowa Staters: Drs. D. B. Palmer, Wayzata, Minn.; L. H. Phipps, Winnebago, Minn.; G. E. Keller, St. Paul, Minn.; Stanley King, Minneapolis, Minn.; H. E. Schwermann, New Ulm, Minn.; E. P. Eder, Blue Earth, Minn.; George Hartle, Minneapolis, Minn.; E. G. Hughes, Sleepy Eye, Minn.; and C. H. Schlauderaff, Red Wing, Minn.

Papers were presented by these Iowa Staters: Drs. S. Elmer, Richland Center, Wis.; C. D. Lee, Ames, Iowa; F. R. Booth, Elkhart, Ind.; R. Leland West, Waseca, Minn.; George T. Edds, Fort Dodge, Iowa; and C. D. Van Houweling, Washington, D. C.

Ed. Note: This excellent news item was sent in by Dr. R. A. Merrill, ’26. He included a list of Alumni who attended the luncheon. Dr. Merrill is on the veterinary clinic staff at the University of Minnesota, School of Veterinary Medicine.
In Memorium

Dr. Isaac E. Hayes

Dr. Isaac E. (Ike) Hayes, 43, a veterinarian in Waterloo, Iowa, for the past 17 years died unexpectedly at his home of a coronary occlusion at 6:15 a.m. Tuesday, Jan. 25, 1955.

Dr. Hayes was born on April 5, 1911, at Clifton, Ohio, the son of Wayne and Effie Hupp Hayes.

In 1937 he was graduated from Iowa State College with the degree of Doctor of Veterinary Medicine. While at Iowa State College, Dr. Hayes was a member of the football team in 1933, 1934, and 1935. He was captain of the Cyclone football team in 1935. It was this same year that he was rated All-American. He was named on several all-conference teams while at Iowa State.

Dr. Hayes was married to Lucy Herrling on July 16, 1938, in Charles City, Iowa. Following their marriage they resided in Waterloo, Iowa, where he became well known as an outstanding practitioner in the field of equine medicine.

During World War II, he was a major in the Veterinary Corps of the United States Army, serving from June 9, 1941 to October 1945. Dr. Hayes saw service in Australia and New Guinea.

He was a member of the First Presbyterian Church, the Rotary Club, the Cedar Valley Veterinary Association, the Cyclone Club of Iowa State College and the ISC Athletic Council for one term.

Recently, he was appointed associate editor of the Journal of the American Veterinary Medical Association on the equine medical section.

Surviving are his wife; two daughters, Martha, 15 and Mary, 14; one sister, Mrs. Mary North, Ithaca, N. Y., and one brother, W. W. (Woody) Hayes, Ohio State University football coach at Columbus, O.

A memorial fund has been established and will be administered by Iowa State College. Further details of this will be forthcoming in the next issue of the Iowa State College Veterinarian.

Dr. S. H. Guinn, '93, Marengo, Iowa, died Oct. 5, 1954. Dr. Guinn had practiced in Marengo for more than 50 years.

Dr. W. M. Gordon, '05, Omaha, Neb., died recently. Dr. Gordon had been a member of the A.V.M.A.

Dr. George W. Todd, '22, Lancaster, Calif., died Dec. 22, 1954. Dr. Todd had been a member of the A.V.M.A.

New Associations and Partnerships

Dr. Dean Philson, '54, is now associated with Dr. J. A. Thompson, '43, at Harlan, Iowa. Dr. W. O. Reecce, '54, is associated with Dr. L. J. Larson at Galesville, Wis. Dr. D. D. Hemmerson, '52, and Dr. D. W. Poppen, '50, formed a partnership in Janu-
ary 1955, at Sheldon, Iowa. Dr. Fred Zimmerman, ’54, who practiced at Lake Mills, Wis., following graduation, is now associated with Dr. Thomas Tuttle at Fort Atkinson, Wis.

Dr. H. J. Morgan, ’47, who was on the staff of the University of Illinois, College of Veterinary Medicine, and previously in practice at Ruthven, Iowa, is now in practice at Waukon, Iowa. Dr. Morgan is on the staff of the newly formed Waukon Veterinary Clinic with Dr. J. F. Cox and R. O. Sander, ’47. The group works out of Dr. Sander’s office.

New Practices Established

Dr. F. A. Bonnstetter, ’24, recently sold his home, office, and practice to Dr. K. D. McMartin, ’54, at Garner, Iowa. Dr. Bonnstetter is now in practice at Goodel, Iowa. Dr. Lee Sutherland, ’54, has entered practice at Clarksville, Ark. Dr. Richard E. Shirbourn, ’52, has been discharged from military service and is now located at Coon Rapids, Iowa.

Dr. M. T. Montag, ’51, has moved into his new office building on Main Street of Woodbine, Iowa.

Class Reunions — June 10-11

The all-college Iowa State College Alumni Association is deep in plans for the class reunions June 10-11. This year all classes ending in 5 and 0 will meet. Reunion class directories for the classes of 1915 and 1920 were printed in the January issue of the Alumnus; directories for classes of 1925 and 1930 will be found in the March issue. The directories list the class members in groups according to their division, and the last known address for each is given.

MARRIAGES

Miss Jan Van Zomeren and Dr. George Beron, ’54, were married Dec. 21, 1954, at Leighton, Iowa.

BIRTHS

Dr. & Mrs. J. R. Rosdail, ’51, Pomeroy, Iowa, a son, Leanne, Oct. 19, 1954.

Dr. & Mrs. J. K. Hill, ’43, Titonka, Iowa, a son, James Harry, Oct. 1, 1954.

Dr. & Mrs. R. J. Potter, ’50, Storm Lake, Iowa, a daughter, Sept. 29, 1954.

Dr. & Mrs. Paul McAndrew, ’52, Kalona, Iowa, a son, John, Sept. 21, 1954.

Dr. and Mrs. J. W. Sexton, ’42, Sumner, Iowa, twin sons, Patrick Earl & Matthew Edmund, Sept. 15, 1954.

Dr. & Mrs. J. A. Sloan, ’49, Independence, Iowa, a daughter, Michal Ann, Sept. 11, 1954.

Dr. and Mrs. Raymond Pahle, ’54, Moline, Ill., twin girls, Dec. 10, 1954.

Dr. and Mrs. James Young, ’54, Moline, Ill., a son, James Stuart, Nov. 6, 1954.

Dr. & Mrs. John W. Budding, ’51, Brighton, Iowa, a son, Lynn Martin, Sept. 7, 1954.

Dr. & Mrs. C. W. Meeusen, ’42, Cedar Grove, Wis., a son, Craig William, Aug. 7, 1954.

Dr. & Mrs. David J. Fruit, ’43, Merton, Wis., a daughter, Christine Ann, July 21, 1954.

Dr. & Mrs. Gerald C. VandeGarde, ’43, Sioux City, Iowa, a daughter, Sharon Jane, June 18, 1954.

Dr. & Mrs. N. James Anarumo, ’53, Bristol, R. I., a daughter, Beverly Joy, June 12, 1954.
CLASS OF 1953

Dr. N. James Anarumo lives at 167 Bradford St., Bristol, R. I., and has been a Massachusetts state veterinary employee as well as conducting his own general practice since graduation. At present he is building a hospital which is scheduled to be finished before the I.S.C. Veterinarian is published. Dr. Anarumo is spending some of his “extra” time doing 4-H work. We were very glad to receive a picture of Dr. and Mrs. Anarumo and children with a personal note attached which we have placed on the clinic bulletin board for faculty and students to read. Their children are James, 6 and Beverly, 4 months.

Dr. Edward L. Anderson is located at 2118 Marmion Ave., Joliet, Ill. Previously he was located at Kankakee, Ill. Dr. Anderson has a small animal hospital in Joliet. He serves as counselor for the Boy Scouts there. The Andersons have a daughter, Susan, 3.

Dr. Russell H. Anthony, 402-25th St., Cedar Rapids, Iowa, is operating a small animal hospital in partnership with Dr. Dale Spear, ’53. Previously to going to Cedar Rapids, Dr. Anthony practiced in Mt. Carroll, Ill. He is active in the Masonic Lodge. The Anthony children are Mark, 3 and Ross, 6 months.

Dr. Robert D. Boyce worked 6 weeks with Dr. C. R. Parrish, ’45, Nevada, Iowa, before entering the service as second lieutenant in the Veterinary Corps on July 27, 1953. He spent 10 weeks at the Meat and Dairy Hygiene school in Chicago after which he was assigned to Ft. Lewis where he is a small animal clinician for the post. Dr. Boyce expects to be discharged in 1955. He has a son, Tom, 7 months.

Dr. Richard S. Boyer has a general practice in Keosauqua, Iowa. He is making plans for a small animal hospital which he hopes to build soon. Dr. Boyer is serving as chairman of the Farm Bureau Brucellosis Control Program in his community. The Boyers have three children: Bobby, 7; Ricky, 5; and Susan, 1.

Dr. John G. Bowne, 437 Pammel Court, Ames, Iowa, is doing graduate work for a Master of Science degree in anatomy at Iowa State College. He is also an instructor in the Department of Anatomy. The Bownes have two daughters: Ann, 4; and Bonnie, 1.

Dr. Peter Bendorf is living at Lafayette, Calif., where he is working at Boevers Small Animal Hospital. Previously to this assignment, Dr. Bendorf was doing field work for the State of California and was with the Henno Pet Hospital in San Francisco.

Dr. Richard Buckman was called into the Air Force on July 30, 1953, and expects to be discharged in 1955. He is now at Mobile, Ala.

Dr. Nam Young Chung, 1321 Palolo Ave., Honolulu, Hawaii, has a mixed practice there. His facilities include a 36-cage animal clinic. Dr. and Mrs. Chung have three children: Gordon, 7; Catherine, 3; and Edwin, 2 months.

Dr. E. S. Cook has been in Greenwood, Wis., as a dairy practitioner since his graduation.

Dr. Channing E. Cotton has a general practice in Armour, S. D. Since June 1954, he has been in partnership with Dr. T. Cox, ’54. Dr. Cotton is serving as chairman of the Auditing Committee of the S.D.V.M.A. The Cottons have a son, Michael, 18 months.

Dr. R. F. Dougherty is a general practitioner in Wynot, Neb.

Dr. Dwight O. Faulkner has a general practice at Tipton, Iowa, with Dr. J. D. Ramsey, ’39. Dr. Faulkner is secretary-treasurer of the East Central Iowa V.M.A.
Dr. R. E. Gamble, since graduation, has been at Gilman, Iowa, where he has mainly a large animal practice. Dr. Gamble serves as an assistant Boy Scout Leader and is a member of the Ground Observer Corps.

Dr. Charles O. Gardner of Marysville, Calif., was an instructor at the I.S.C. Clinic for a short time in 1953 before he was called to active duty in the Air Force. He is now base veterinarian at Beale A.F.B. His two children are John, 13 months, and Jo Ann, 2 months.

Dr. Dale Gillette of Santa Rosa, Calif., was at Black Hills Animal Hospital, Rapid City, S. D., before he assumed his present position as meat inspector for the State Dept. of Agriculture. Dr. Gillette says he plans to take the California State Board in January and then look for another position elsewhere.

Dr. Kenneth W. Gray, after graduation practiced at Cedar Falls, Iowa. Dr. Gray is now with the U.S.A.F. as a base veterinarian at Lockbourne A.F.B., Columbus, Ohio. Dr. and Mrs. Gray have a daughter, Jane, born Feb. 27, 1954.

Dr. Jack A. Hill is located in Winamac, Ind., where he has a mixed practice. Following graduation, Dr. Hill went to Rochester, Ind., until March, 1954. He is a member of the Winamac Chamber of Commerce and Kiwanis Club. The Hills have two children, Patricia and Douglas.

Dr. Robert Lapsley, Jr., is located in De Motte, Ind., where he has been since graduation. There are no immediate plans for a hospital. Dr. and Mrs. Lapsley have a son, Robert.

Dr. William J. Neuliep has been located in Rochelle, Ill., since graduation. He has a general practice and plans for providing facilities for large and small animals in a clinic. Besides his regular practice, Dr. Neuliep is County Rabies Inspector and vice-president of the local Lions Club. He has one child, Janice, 9 months.

Dr. LeRoy O. Rasmussen is serving in the U.S. Army at St. Paul, Minn. Dr. Rasmussen plans to return to Iowa in 1955 and establish practice in the northern part of the state. Rasmussens have a daughter, Diana.

Dr. Don Rubel of Sioux City, Iowa, has been in large animal practice there since graduation. His children are Kathy Jo, 5; Cristy Ann, 4; Timothy, 2; and Julie Kay, 5 months.

Dr. E. E. Schekloth has a general practice in New Liberty, Iowa. He is also serving as a council member this year. Children of Dr. Schekloth are Jeffrey, 4; and Jimmie, 14 months.

Dr. Jack Spearing is now veterinarian for Elmwood Farms, Lake Forest, Ill., which requires half of his time. The rest of his time is taken up in general practice. He received his B.S. degree in Dairy Husbandry from I.S.C. in 1940 and his D.V.M. in 1953. Following graduation he practiced at Donelson, Tenn., before assuming his present job. As many of you remember, Dr. Spearing is author of the book, “Fitting and Showing Dairy Cattle”. He has one child, Dee, 13.

Dr. Cyrus J. Starch, 2103 Forest, Des Moines, Iowa, has a small animal practice. He, with the help of one layman, is operating a small animal hospital with a 25 dog capacity. Dr. Starch interned in Cleveland, Ohio, at Jensens for 10 months previous to going to Des Moines. He welcomes friends to visit when in or near Des Moines.

Dr. Don W. Thomas, first located in Petaluma, Calif., as assistant pathologist in the State Diagnostic Laboratory, is now extension veterinarian for the State of Utah located at Utah State Agriculture College, Logan, Utah. Dr. Thomas has two children: Lynn, 4; and Paula, 1.
Dr. Robert J. Uhri has a general practice in Table Rock, Neb. He is serving as Cub Scout Master in his community. His children are Carolyn, 11; Robert, 10; and Bill, 8.

CLASS OF 1939

Dr. Marcus E. Bayer has a mixed practice in Freeport, Ill. His hospital has facilities for 10 small animals. Dr. Bayer has held numerous community offices, one of them being a member of the board of directors of the Chamber of Commerce. He has written several articles for the Illinois veterinary publication and one for the A. V. M. A. Journal. Dr. and Mrs. Bayer have two children.

Dr. I. C. Frederickson is in charge of a small animal hospital in Hollywood, Fla. Since graduation he was at Norway, Iowa, for 5 months; Miami, 4 years; Ft. Lauderdale, 4 years; and since 1947, he has been at Hollywood. Dr. Frederickson is retiring president of the South Florida V. M. A. Dr. and Mrs. Frederickson have a family of three girls and one boy.

Lt. Col. Lester J. Gorman has been serving as an air force veterinarian since graduation. He is now in the field of research and development of foods for in-flight feeding. He received his degree of Master of Public Health from the University of Michigan in 1951. Dr. and Mrs. Forman now live at LaGrange Park, Ill. They have three children.

Dr. L. Meyer Jones is professor of pharmacology here at Iowa State College. Last year he was given a year of absence to serve as a Fulbright Lecturer in Veterinary Pharmacology, in Vienna, Austria. Dr. Jones is author of Veterinary Pharmacology and Therapeutics. Dr. and Mrs. Jones have three children.

Dr. Earl P. Smith is a general practitioner at Slater, Iowa, where he has been since graduation. Dr. and Mrs. Smith have one daughter.

Dr. C. L. Nelson has a general practice at Jewell, Iowa, where he has been located except for the 4 years he was in the army and the 2 years he was at Coon Rapids, Iowa. Dr. Nelson is president-elect of the Iowa V. M. A. Dr. and Mrs. Nelson have a family of two boys and a girl.

Dr. J. D. Ramsey has been at Tipton, Iowa, since 1946. He was in the army 6 years and attained the rank of major. Dr. Ramsey plans to build a new office and clinic this year. He has three children.

Dr. Glenn W. Rieke has been a general practitioner at Victor, Iowa, since 1939. He has been serving on the school board for the past 9 years. Dr. and Mrs. Rieke have three children.

Dr. Henry P. Shoeman is veterinary consultant for the Davenport Elevator Co. in West Bend, Iowa. Following graduation, he was in general practice at Jewell, Iowa, for 6 years; then he taught at Texas A & M in the Veterinary College for 1 year, and later was general practitioner at West Bend. He is past secretary of the Central Iowa V. M. A. Dr. and Mrs. Shoeman have three children.

Dr. Hugh M. Lighthbody was at Charles City, Iowa, before going to West Manchester, Ohio, where he is now located.

Dr. C. Laurel Tellen has been in general practice at Gowrie, Iowa, since graduation. He has an office and clinic which was just recently completed. He has held many community offices and was officer in the North Central V. M. A. Dr. and Mrs. Tellen have a family of three boys and two girls.

Dr. Irvin H. Velflick has a small animal practice in St. Joseph, Mo. From 1939-1942 he was in small animal practice at Barrington, Ill. Then from 1943-1946 he served in the Veterinary Corps. Since 1947 he has been at St. Joseph. Dr. Velflick is a member of the St. Joseph Chamber of Commerce.
Dr. John B. Woodworth has a general practice at Waynesboro, Va. This year he plans to build a small animal hospital. He is past president of the Virginia V. M. A. and is active in his community and church. Dr. and Mrs. Woodworth have two children: Daniel, 13, and Douglas, 11.

CLASS OF 1930

Dr. John Welnhofer is a meat inspector in Chicago.

Dr. Robert J. Schoffman is now teaching high school at Spalding Institute, Peoria 3, Ill. After 4 years of general practice at Winnebageo, Minn., he joined the Clerics of St. Viator, a community of teaching Priests and Brothers. He received a M. S. from the University of Illinois prior to entering his teaching career as a community Brother. Dr. Schoffman has taught at St. Viator College, St. Ambrose College, Loyola University, Fenwick High School, Marquette Institute, and Spalding Institute.

Dr. Carl H. Horstman has a general practice in Collinsville, Ill. He is past president of both the Illinois State Veterinary Medical Association and the Southern Illinois Veterinary Medical Association. He is a member of the Chamber of Commerce and has also served as president of the Lions. Since graduation he has served with the St. Louis Board of Health, doing meat and milk inspection work. Dr. Horstman lives at 534 High School Avenue. There are no children.

Dr. J. P. Oldsen is a general practitioner at Rockford, Iowa, where he has been located since graduation. His community service has included 8 years as a councilman. Dr. and Mrs. Oldsen have two children: Evelyn, 17; and Carl, 13.

Dr. James Fleming is in general practice at Dawson, Minn. He has practiced there since graduation. Dr. Fleming has three children: James Jr., 23; Mrs. Lavern Haney, 21; and Dorothy, 20.

Dr. C. L. Bohan has been located at Madelia, Minn., since 1948. Following graduation he spent 6 months at Dunnell, Minn., and 16 years in Briceylin, Minn. While at Briceylin, he served on the village council; was president of the Civic Club; and was a member of the school board. He is now on the Board of Health and president of the Chamber of Commerce. He is quite active in professional organizations, participating in the A. V. M. A.; the Minnesota State Veterinary Medical Association; the Minnesota Valley Veterinary Association; and the Southwestern Minnesota Veterinary Association. Dr. and Mrs. Bohan have four children: Jack, 23; N. Dearne, 17; Vicki, 5; and Becky, 2.

Dr. Austin T. Getz is city sanitarian for Ames, Iowa. For 16 years following graduation he served as an army veterinarian, retiring in 1946. He is now active in the Kiwanis Club. Dr. and Mrs. Getz reside at 1720 Grand Ave., Ames. There are three children: Mrs. Margaret Vance, 22; Nancy, 21; and Peter, 16.

CLASS OF 1921

Dr. Carl Hansen is now retired because of health after 30 years as a practitioner in Faribault, Minn. He devotes his time to city dairy inspection work, directorship of the Security National Bank of Faribault, and management of dairy farming interests. Past civic activities have in-
cluded 12 years as secretary and manager of the Rice County Fair Association; three terms on the board of directors, Chamber of Commerce; and 10 years as a member of the school board. He is a past president of the Minnesota State Veterinary Medical Association, and has served 12 years as a member of the Minnesota State Examining Board. Dr. and Mrs. Hansen have three children: Carlyle, 31; Richard, 26; and Paul, 16.

Dr. Walter J. Meder is planning to build a new modern office for his general practice at Harlan, Iowa. He has been located in Harlan since 1939, previously having practiced at McClelland from the time of graduation. His activities include membership in the Chamber of Commerce, Harlan Golf and Country Club and Knights of Columbus. He also owns and operates a 360-acre farm where he raises purebred Angus cattle. Dr. and Mrs. Meder live at 1301 11th St. There are no children.

Dr. G. W. Cady has a small animal hospital in Mason City, Iowa. Except for 1 year at Clear Lake, he has been located at Mason City since graduation. He resides at 1524 N. Federal Ave. There are three children: Gerald W. Jr., 27; Jean, 26; and Patrick, 21, now attending Iowa State College.

CLASS OF 1912

Dr. Joe F. Wall, district veterinarian for the Iowa Department of Agriculture lives at 1220 10th Ave. N., Fort Dodge, Iowa. Since his graduation, Dr. Wall has been in private practice at Sanborn, Iowa; spent 2 years in the army in World War I; and has been with the Iowa Department of Agriculture from 1919 to the present time. His two children are J. F. Wall, 34, and Mary Jane, 30.

Dr. Charles Murray, former professor of veterinary bacteriology, head of the Veterinary Research Institute and dean of the Veterinary Division is now living in New Mexico. After his graduation in 1912, Dr. Murray lived in Ames, where he was a member of City Council for 2 years. He has served as chairman of the Conference of Research Workers in Animal Diseases and as a member of the Committee on the History of the A.V.M.A. Dr. Murray has three daughters: Mrs. Gertrude Platt, ISC '25; Mrs. Eleanor Watkins, MS '24; and Mrs. Lois Miller, ISC '30. Dr. Murray’s address is Route 3, Sante Fe, N. M.

Dr. Sabin L. Ries, 744 15th Place N. E., Mason City, Iowa, retired in December, 1954 after more than 40 years of Federal Meat Inspection Service. Following his graduation he practiced for a short time in Northwood, Iowa. From 1913 to 1954 he was in the Meat Inspection Service at Chicago, Ottumwa and Mason City.

Dr. L. L. Roberts, Eldora, Iowa, is at the present time administrator of the Eldora Memorial Hospital. Dr. Roberts took post graduate work at Ohio State University in pathology and bacteriology and has not been engaged in veterinary practice for the past 32 years. His son, Robert R., 37, is a graduate of Engineering from Iowa State College.

Dr. Calvin F. Moore is a general practitioner at Toledo, Iowa, where he has been since his graduation. He has been on the city council for 12 years, a member of the school board, and president of the township telephone company. Dr. Moore has served as vice president of the Eastern Iowa V. M. A., and vice president of the Cedar Valley V. M. A. Dr. and Mrs. Moore have four children.

Dr. M. L. Livingston, MSC '50, has purchased the interest of Dr. Dr. B. J. Lattimer, '12, his former partner. Dr. Lattimer has retired after 38 years of practice.

Dr. A. C. Swanson, '13, who practiced in Webster City for 40 years, has retired. He is a life member of the Iowa VMA.
