Abstract

Gulls burned black in the red of the setting sun scream overhead, turned white...
Image

by James Wickliff

The day, a gray doe in the dawn,
Moved quietly into the brown woods—
Sensed each shadow and nosed the wind,
Then found the sun and bedded down.

Change

by James Wickliff

Gulls
burned black
in the red of the setting sun
screamed overhead,
turned white
against the night,
and were gone.
