Abstract

Closing dark. A seeking man. A wooden guitar Vibrating softly with what it knows—What man himself never quite grasps:
Spanish Wood

Gail Weber Hosch
Zoology, Sr.

Closing dark.
A seeking man. A wooden guitar
Vibrating softly with what it knows—
What man himself never quite grasps:
Man has always sung in silence,
Played his best in tears
With something tearing at a place below his breast.
Closing dark. A young man caressing an old guitar,
Each playing upon the other.
