**Juniors**

Merlyn D. Knudson  
Lowell D. Manser  
Richard H. McConnell  
Marvin L. Nielsen  
Robert W. Pennington  
David K. Putman  
Larry O. Tadlock  
William K. Thomsen

Henry F. Bolte  
Dayle D. Colberg  
Donald L. Dawe
A daughter, Gerriann, was born to Jerry and Dana Crawley on March 7, 1962.

Mr. and Mrs. James Burt are the proud parents of Laura Lynette.

A daughter, Leanne, was born to Don and Joan Yanda on April 4, 1962.

A son, Douglas Miller, was born to Arlo and Joann Ledet on March 31, 1962.

Class of ’63

Robert Andrino announced his engagement to Dianne Price. Miss Price lives in West Linden Hall and is in Bacteriology.

Robert T. Bashara announced his engagement to Janis Bohrofen. Janis is from Grimes, Iowa.

Jim Johnson announced his pinning to Kay Hansen. Kay is from Spencer, Iowa.

Glenn Sutter of the Class of ’63 has been selected by American Breeders Service to attend a two-week training school at Belvidere, Illinois, for technicians on artificial insemination. The course will be given July 9-20 and will have student representatives from all of the veterinary schools of the midwest. Mr. Sutter’s travel expenses, lodging, and board will be paid by ABS, who will also provide $200 for a scholarship toward this student’s senior year.

It is the desire of ABS to improve Artificial Insemination Technician-Veterinarian relationships through this student survey of technician training. This altruistic activity will benefit not only the veterinarian and technician but will also increase their value to the farmer who depends on these two trained people for efficient operation of his enterprise.

Class of ’64

A son, Todd Joseph, was born to Mr. and Mrs. F. Joseph Troutman on March 9, 1962.

A daughter, Christine Ann, was born to Mr. and Mrs. Richard Jensen on March 15, 1962.

Class of ’62

A daughter, Jann Carol, was born to Larry and Joan Tadlock on Feb. 26, 1962.
Class of 1962
Graduates
Sixty-two Men

The College of Veterinary Medicine at Iowa State University will graduate sixty-two men on May 26, 1962, with the degree of DVM. This particular class upon graduation will have spent a total of 431.5 man years in college for an average of 6.95 years apiece. Sixteen of the members have Bachelor of Science degrees, two have a Bachelor of Arts degree, and one possesses a Masters degree.

The range in ages is from twenty-two to thirty-six, and the average is 27.5 years of age.

Thirty-two members of the class are veterans. Forty-four members of the class are married and of these thirty-four have children, and six of these have four youngsters. The class members have a total of eighty-seven children.

A major portion of the class have made plans for the immediate professional future. Seven men list small animal practice, eight are entering large animal practice and twenty-three are going into mixed endeavors. Six men are planning to enter military service within the year and three are going into government work with the Animal Disease Eradication Division. One member of the class is going to continue his schooling in the area of large animal medicine and three of the graduates plan to enter medical school next fall.

Thirty-seven percent of the class definitely plan to remain in Iowa. Thirty-five percent are undecided, and the balance who have made plans are going to various states including Illinois, Minnesota, Nebraska, Kentucky, Massachusetts, Oklahoma, California, Alabama, Wisconsin, Montana and Hawaii.
