Snowman’s Revenge

Lou Cardin

Abstract

black buttons gaze above a charcoal smile dream, snowman, dream of fluffy, frosty fields white with your natural shape and pride, hide the shame inside those icy globes and dream, snowman, dream...
Snowman's Revenge

by Lou Cardin
Speech, Jr.

black buttons
gaze
above a charcoal smile

dream, snowman, dream

of fluffy, frosty fields
white with your natural
shape and pride,
hide the shame inside
those icy globes and

dream, snowman, dream

for the child is numb
between your frozen paws—
let the warm evening snows
soothe your rounded brow and

dream, snowman, dream
of going home
