Abstract

Jazme comes tearing down the stairs in her three-at-a-time headlongway whipping snarling splitting tangling her hair in the wind of her passing careless careening and never quite catching her bouncing head and flashing eye she lands with a flounce on her grandfather’s knee and looking up matches smiles...

Music, Freshman

Jazme
comes tearing down the stairs
in her three-at-a-time headlongway
whipping snarling splitting tangling
her hair in the wind of her passing
careless careening and never quite catching
her bouncing head and flashing eye
she lands with a flounce on her grandfather’s knee
and looking up
matches smiles
