Abstract

Winter coats and woolen caps walking frozen between concrete and steel...
Scenes

by

Paul Iasevoli

Spanish 4

Winter coats and woolen caps
walking frozen between concrete and steel;

Men sit with pickled smiles of sterno sunshine,
sick perfumes of rotting meat
fill the air
spiraling lost dreams
above the tenements;

Chain-link fences creak
"DO NOT ENTER"
while ladies
carry painted smiles of desire
in rhinestone purses;

These frozen scenes remain forever,
even when a Summer sun
burns away the wool of Winter.
