Class of '74

Mr. and Mrs. Fred Sick had a baby girl, Michelle Dawn, born Dec. 11, 1970

Omega Tau Sigma

Since the founding of the Iowa State Chapter of Omega Tau Sigma, professional veterinary fraternity, in 1965, the organization has strived diligently toward bettering the veterinary profession, both academically and socially. In addition to its sixty-four active and nine associate faculty members, fourteen spring pledges will also assume this responsibility in the near future.

In October of 1970, the ISU Kappa Chapter was represented by twelve members at the two-day national convention held at Urbana, Illinois. It was with great honor that Dr. Hull was selected as Grand Worthy Master at this convention. The 1971 convention site will be Athens, Georgia. More recently, Dr. Hull and Dr. Greve were elected as new faculty advisors for the Chapter.

Omega Tau Sigma has continued its weekly seminar program which was instituted during the 1969-70 academic year. The seminars, dealing with a variety of specialized topics, have been well received by faculty and students. It is certainly hoped that even more will take advantage of this program in the future.
