SAVMA House of Delegates

The National Student AVMA (SAVMA) House of Delegates met this summer at the National AVMA convention in Cincinnati, Ohio, from Monday, July 19, through Wednesday, July 21, 1976. Iowa State University was represented by Randy Gibson, a junior, and Doug Rogers, a sophomore.

During the three day meeting, the National SAVMA passed a resolution recommending that the National Delegate from each school be a voting executive council member in their respective student AVMA chapter. The 1976-77 fiscal year budget was also discussed and approved.

One of the most significant events which occurred was the attainment of SAVMA voting privileges in the AVMA House of Delegates. This proposal met with both extreme disapproval and approval before it was finally passed by the AVMA House of Delegates. The proposal must now go through the standard committees for final approval and will eventually allow full SAVMA voting rights in the AVMA House.

On Tuesday, the SAVMA delegates broke into reference committees to discuss the SAVMA standing committees. The Native American Project, which gives veterinary students an opportunity to work on the Navaho Reservation during a summer or senior preceptorship, has been continued and expanded.

On Wednesday, the final day of delegate
meetings, elections were held, and the new officers for the 1976-77 academic year are as follows:

President: David Carter, Tuskegee Institute
Secretary: Roger Smith, Texas A&M
Treasurer: Marshall Scott, Kansas State University.

The Inter Vet will be published for the next two years by Michigan State University. They have asked that individuals from each school submit articles in an effort to make the Inter Vet more of a success.

The Delegate meetings were then adjourned and the House of Delegates will reconvene at the Educational Symposium this spring at Colorado State University.

If there are any questions about the role of a SAVMA delegate please feel free to talk with Doug Rogers or myself and we will try and answer your questions.

Randy Gibson
National SAVMA Delegate
