1997

Index of Volume 59
Roberta (Mau) Skipor is a part-time feline practitioner in Naperville, Illinois. She lives with her husband, Andrew, and has four children, Andrea, Rachel, Joseph, and Benjamin. She is a member of AVMA, Illinois VMA, Chicago VMA, AAHA, AAEP, and is an active member of Grace Lutheran Church.

Penny Smith is active in small animal emergency medicine in Campbell, California. She lives in Danville, California with her husband, Don, and their son, Andrew. Dr. Smith has been busy with her husband’s business and their son while continuing to work at a large, busy emergency clinic in the Bay Area.

Jerald T. Steinbrenn is working for the USDA Food Safety and Inspection Service in Long Prairie, Minnesota.

Kelly J. Turner is working at a mixed animal practice in Oakland, Iowa. He and his wife, Dawn, have two children, Sydney and Danielle.

Anthony R. Verderosa is a regulatory veterinarian working for the New York Racing Association at Belmont, Aqueduct, and Saratoga. He left a clinical equine practice in 1996 to become an examining veterinarian for the NYRA.

Santford Wellborn is practicing at a small animal clinic in Valdese, North Carolina. He lives with his wife, Joni, and children, Taylor and Ashlay. He is an active member of the Rotary Club and is the President of the local veterinary association. His associate is Tom Wallrichs, ISU ’87.

Steven J. Wickham is an active food animal practitioner in Mt. Pleasant, Iowa. He lives with spouse Shelly and triplets, Sterling, Blake, and Hannah. He worked in a mixed practice in Illinois from 1987-1989 and then started Wickham Veterinary Service. He is a member of AABF, AASP, Society for Theriogenology, and is a 4-H leader.
