Strollin’
by Amanda Green

Let me tell you
about her

Man, that girl walks
them arms swayin’
crossin’ in front and behind
with her pigtails boppin’
her knees dippin’
feet kickin’
chin kissin’ those clouds

The people round her stop
try to take her in
an’ figure her out
ask themselves
what is with that girl?
she got some big secret or somethin’?

But ya know?
she ain’t even got one
her story’s beamin’
right out those eyes
flyin’ out those swingin’ finger tips
tellin’ the world

My Name
is Casey
and I Am
music
