Man
Molly McDonald

Sometimes
he felt
like he was
stuck
between
two panes of glass

sometimes
he swayed
like a one-legged
tree

sometimes
he felt
like an
eternal exhale

his lungs imagined air
like his mind breathed dreams

Sometimes
he didn't dream
but felt like
people
opened his hips
like books
while he slept

Sometimes
he felt
like he was
disappearing slowly
like a lap
when you stand
to answer
the door.
