Hole
Ryan Pesch

“Reach your hand up
Grab this.
Not that, that’s a snake.
This vine here.

Yeah, look around.
You made it out alive.
You’re lucky you know.
A fall like that...
you should be dead.

Instead you get to enjoy
all the wonders of this place.
We have running water
and artificial lighting.”

“Those are streams and open fires.”

“Did you like your hole better?”

“Where are the faucets,
electricity?”

“Fine, back you go...”
